The beginning of 1979 marked the celebration of Haughton High School's seventy-fifth anniversary, designating this as Haughton's "Diamond Jubilee."

Diamonds are a symbol of strength and stability and they are traditionally given in recognition of a seventy-fifth anniversary. Diamonds are the hardest substance known to man. In comparison for Haughton High School to have prospered for seventy-five years; it had to have had a strong and stable foundation.

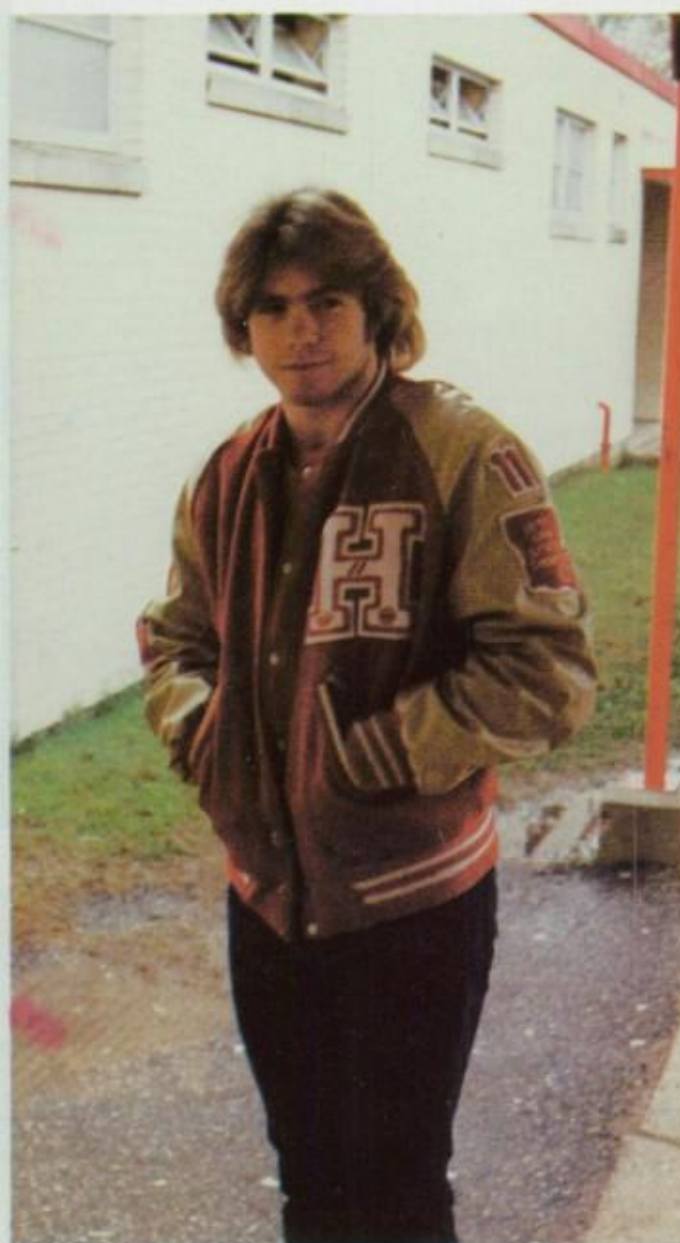

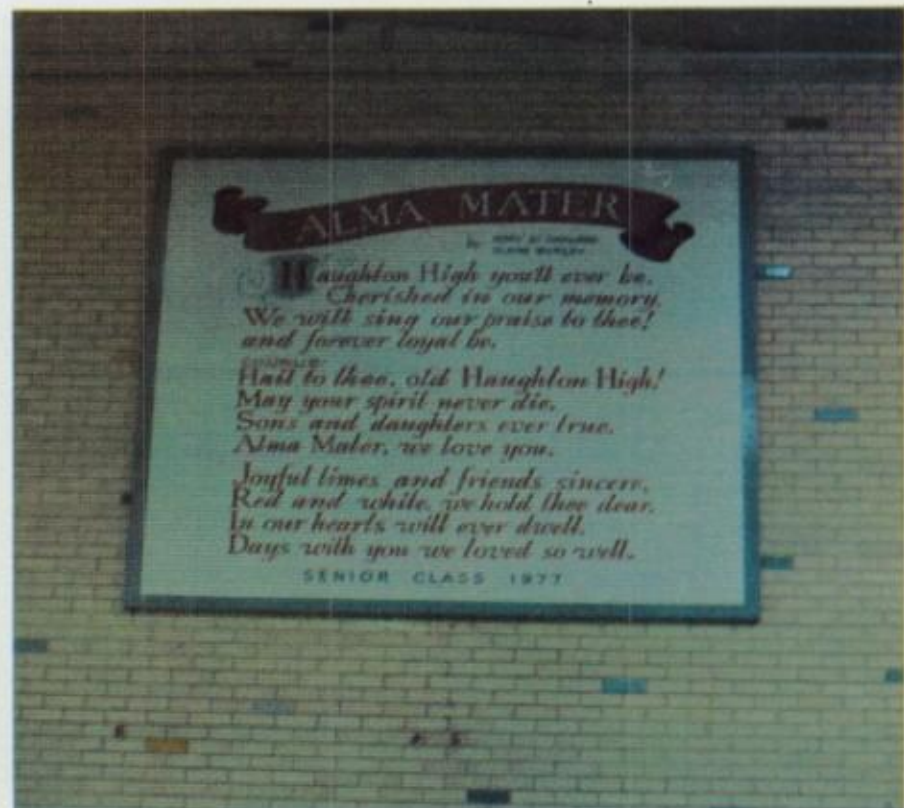

From one precious stone many diamonds can be cut and polished into different sizes and shapes, each facet being unique in quality and value. Haughton High School is like that precious diamond . . . Each student is of different stature and personality with a quality and value uniquely his own.

1—Coach Marston, Coach Brotherton, and members of the H. H. S. Football team anticipate the outcome of an exciting play. 2—The wall of the H. H. S. gym displays Haughton's spirit and pride. 3—The town of Haughton centers around Haughton High School. 4—Students express enthusiasm over an upcoming game.

Cherished In

"We will sing our praise to thee, and forever loyal be."

The town of Haughton was founded in 1884, following the completion of the V. S. & P. Railroad. The railroad brought men and women to settle in this community, to farm their land, to raise their families, and to enjoy the good quiet life of the country.

Progress in Haughton can be shown by tracing the early development of a railroad station to today's existing community of approximately two thousand people and an enrollment at Haughton High School of approximately nine hundred, seventy students.

The tracks of the V. S. & P. Railroad lead both ways. The track to Haughton's future can only advance to an even better high school because, after all, Haughton High is the school that puts us on the map.

1—Jackie Denton, Homecoming Queen 1954-55, is escorted by her future husband, Grant Hanley. 2—The railroad tracks are responsible for the development of the Haughton community. 3—Haughton's first elementary building stood between the bandroom and the commerce building that are used today. Upon completion, it was described as "... picturesque in every way and is an ornament to any town of four times the population of Haughton. It contains eleven classrooms, principal's office, laboratory, study hall, and library."

WE LOVE YOU!"

1—The students aren't the only fans of Haughton's football team. This year hundreds of fans followed the team to every game. 2—"Haughton is number one", says Haughton Buccaneer, Scott Dinwiddie. 3—The owner of this locker has his own little "treasure chest" of high school paraphernalia he has collected during his days at Haughton High School. 4—Accompanied by the "Big Red Band", Randy McMahon gives his rendition of the "Pink Panther". 5—These prospective Haughton students salute the American Flag as the Haughton Band plays the "Star Spangled Banner". 6—A lucky Haughton student has her mementos securely locked away in her own special hiding place. 7—Two Haughton Buccaneers, Jimmy Tipton (51) and Bobby Strogon (32), take a breather during one of the hard-hitting games played this year. 8—Treasured memories are bound between the covers of these Haughton yearbooks.

Haughton High

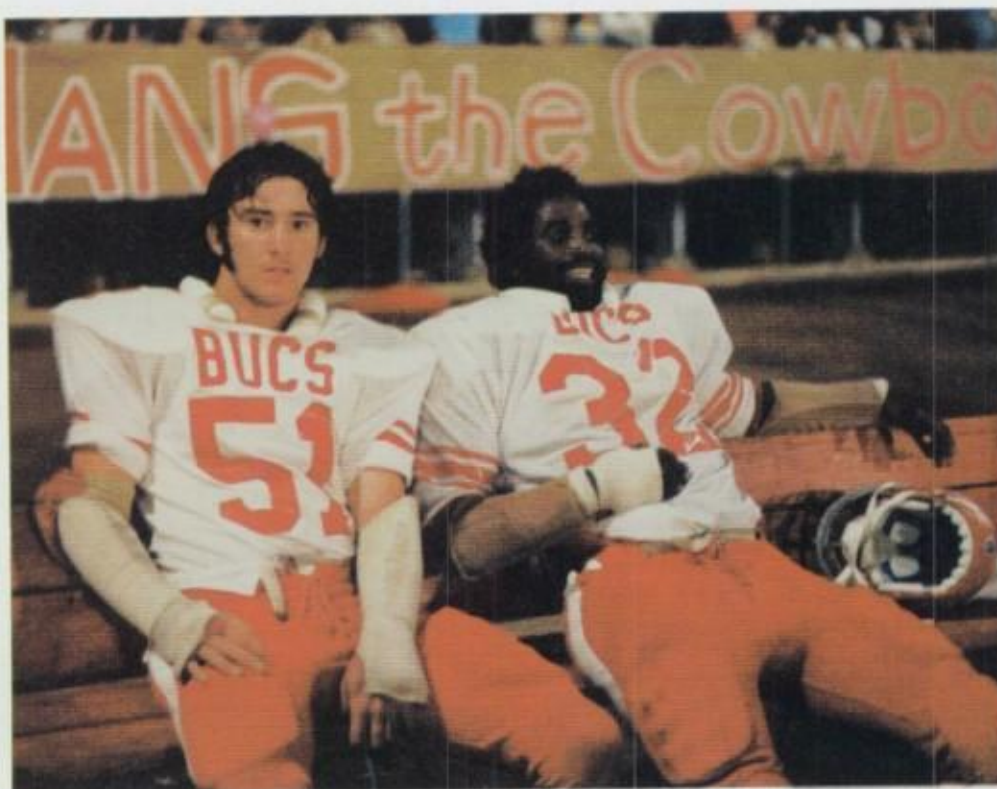

6

Several years ago two graduates of Haughton High School, Mary Jo Garland and Elaine Worley, wrote the words to the Alma Mater. These words have become a symbol of undying pride in the Haughton area. Haughton is a proud community and the people look to the students of Haughton to carry on a tradition of excellence in the home and in the community.

Each word of the Alma Mater has a special meaning in the hearts and minds of the lives touched by Haughton High School. As the familiar tune of the Alma Mater is heard, listeners reflect on memories rekindled from the days of yesteryear.

Time only enhances the cherished memories of the school to which we give our hearts!

I Love the Night Life!

The students of Haughton High School found a variety of ways to spend their out-of-school hours. Dancing, attending football games, gathering at Pizza Hut, and enjoying the Red River Revel and the Louisiana State Fair were just a few of the ways. The weekends at H. H. S. could be called anything but dull. Supporting the winning football team kept almost every student busy on Friday nights all the way into December. Later friends were found at Pizza Hut, discussing the happenings of the game.

ARE YOU PUTTING US ON?

The 50's look swept the nation this year when the hit movie, "Grease", made its debut. Straight legged jeans, loose tops gathered with gold belts, and scarves were all a part of the fashion this year, and H. H. S. was no exception. But, unlike the 50's styles, straight legged jeans were now

worn with spiked heels. Vests with loose blouses also became a part of the fashion this year. However, the classic stand-by of T-Shirts, jeans, and tennis shoes were still a major part of everyday life. On the jewelry scene, charm

necklaces were the "in" thing, with rings, stick pins, earrings, and bracelets accenting the fashions worn. St. Christopher necklaces seemed to be a big hit among the guys, with gold chains running a close second.

1—"Grease", starring John Travolta and Olivia Newton-John, is one of the biggest hit movies of the year. The "Grease" soundtrack is also at the top of the album charts. 2—The members of the 1978-79 Bossier Press Teen Advisory Board are (sitting) Ruth Ann Oliver, Chris Weathers, (standing) Alicia Denham, Gina Lewis, and Mellisa King. 3—Each individual has his own unique way of dressing to come to school. Displaying some of the school fashions for girls are the following: Cathy Elliot, in a blazer and jeans; Vicki Burge, in a casual top and jeans; Chris Weathers, in a blouse, skirt, and blazer; and Cynthia Lantz, in a sweater and jeans.

They may wear boots, dress shoes, tennis shoes, sandals, or casual shoes depending on the outfit they chose.

THE "WHEEL" THING

Ring! Ring! Well, you're tardy again and it's the result of stopping at 7-11, picking up your friends, or just plain messing around. Whether it was in the school bus, your old pick-up, your friend's new sports car, or your mother's Buick, you finally made it to school.

Transportation is an important part of the student's lives at Haughton High. They need rides to and from school, to extracurricular activities, to athletic events, and to the movies or other personal activities.

H. S. campus. 6—"Do you think I can get away without anybody seeing me?" seems to be the thought of Coach Gormanous. 7—The school bus is the only dependable ride to school (sometimes). 8—Who said Bucs don't have class? Take a look at Jimmy Mayfield's new truck—nothing but style!

It Happened In 1978-79

The Guyana mass suicide and the Bossier City tornado captured the top news stories of 1978.

On November 18, U. S. Congressman Leo Ryan and four others accompanying him were killed after visiting a settlement of Americans in remote Guyana. This triggered one of the most bizarre episodes in American history, as over 910 members of the Peoples Temple cult committed suicide by drinking cyanide laced kool-aid.

Then, again on December 3rd, tragedy struck Bossier City when a tornado ripped through eight miles of Bossier causing more than 100 million dollars worth of damage and killing two young children. Over 200 homes were leveled, as were popular places such as Wendy's Hamburgers and Pizza Hut, causing Bossier City to be declared a state of emergency.

"Please Sign Mine!"

What color will it be? How many pages will it have? How many pictures of me will be in it? These are questions all students ask themselves about their new yearbook. On October 27, 1978, the students of Haughton High received their 1977-78 yearbook. Entitled "Puzzles of Life," the book displayed some ideas unique to H. H. S. yearbooks. After standing in line while staff members found their receipt, each student was presented with his own personal copy. The race was on to get each and every friend to sign their yearbook.

Seniors Place First

1
2

The Seniors once again proved to be the leaders of the student body. They demonstrated this by creating a fantastic idea and then developing it. After the parade was over and the floats were judged, they realized that their many long hard hours of work had really paid off—the Senior float had been chosen the best. Here's the recipe for the best possible float ever!

- 1 fantastic idea
- 1 flatbed trailer
- 50 hard workers
- 1 roll of chicken wire
- All the newspaper and Kleenex available

After creating a fantastic idea, use the 50 hard workers to find one flatbed trailer and all necessary materials. Then form the chicken wire into the shape of a three-layered cake and cover it with Kleenex flowers. Add any minor details, mix these ingredients with lots of laughter, determination, hard work, and hope for the best.

Junior Originality Pays Off

While officers of the junior class discussed float plans, Mike Polander, as usual, was close at hand drawing up the plans. After many long hours of work, construction of the float was finished. Just as planned, the juniors completed their idea—something that had never been done in the seventy-five years of Haughton High: for the entire period of the parade, the juniors proudly carried their float. Among the many items constructed on the float were the juniors prediction for the 1978-79 Homecoming game and three giant footballs depicting the years of 1904-1979 at Haughton High. Among the many styles of the float carriers were students in mini skirts, maxie dresses, and cheerleading uniforms.

Sophomores Plan Ahead

Although planning of the Homecoming floats had not yet started sophomores weren't worried. Long before time to start building their float Melinda McCallon had thought of their idea. The sophomores knew they had to work diligently for their float to place in the upcoming contest.

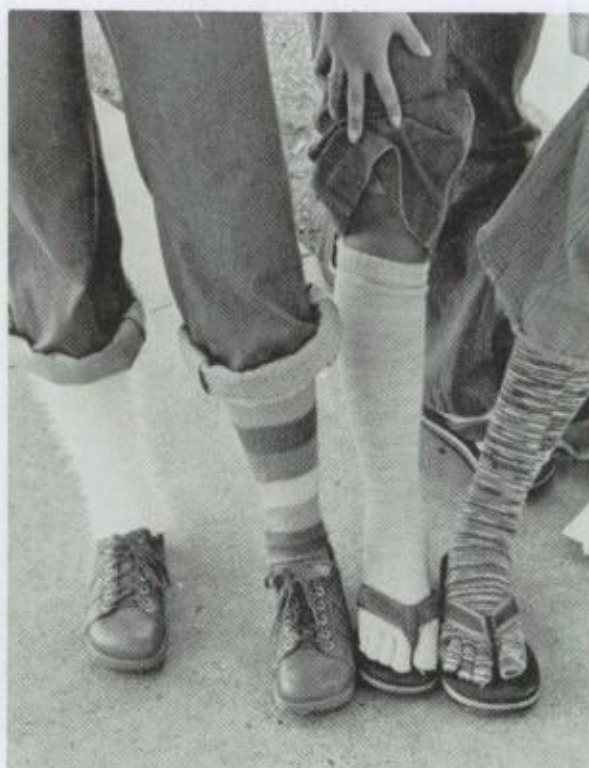

Float meetings were held every evening at Doug Williamson's house and working steadily the sophomores developed their idea into the finished product they had hoped for. Although their float met with tragedy a few days before the parade, Sophomores hurriedly reconstructed the remains back into the original—five feet, five inch tiered cake—just in time for the events of the day.

Freshmen Learn the Ropes

Even though float building and Homecoming events were new to the freshmen, no one could tell. As soon as Homecoming plans were mentioned the freshmen began giving hours of thought and consideration toward the development of their idea. With tools in hand, they eagerly began to tackle their task. Construction was underway! And, working diligently each night they soon completed their float. Though, the freshmen did not place in this years competition they have the will power to be winners.

Diamonds Are Forever

1 On the night of February 24, 1979, Haughton High School's Student Council and Yearbook Staff sponsored its sixth annual beauty pageant. The theme of the pageant was "Diamonds Are Forever" in celebration of Haughton High School's Diamond Jubilee. After narrowing it down to ten top finalists, the judges selected a tall, dark, brown-eyed beauty. Emily Hummer, the daughter of Mr. and Mrs. Walter Hummer, was chosen the 1979 Diamond Queen.

Come Share Our

A world of glittering stars, fairy tale castles, and heavenly clouds enclosed the juniors, seniors, and their dates at the 1979 Prom held on the fourth of May. What had once been a fantasy for many had now become a reality. Dressed with an air of sophistication, the couples arrived at the Palmetto Country Club and were served a steak and baked potato dinner. Mr. Billy Montgomery gave a brief but moving after dinner speech. The Ivory Bull Band set the mood for dancing with their first song, "Living It Up." The fantasy of Prom '79 was truly like being on Cloud Nine.

"Destiny" Is Ring

Beginning in October, the juniors started preparing to become seniors. Mr. Leo Sanford and Star Engraving Co. came to HHS to speak about ordering class rings. Plastic rings and packets of information were handed out and decisions of what decoration to be bought was left up to each individual. Each junior designed and ordered his ring to suit his taste or pocketbook.

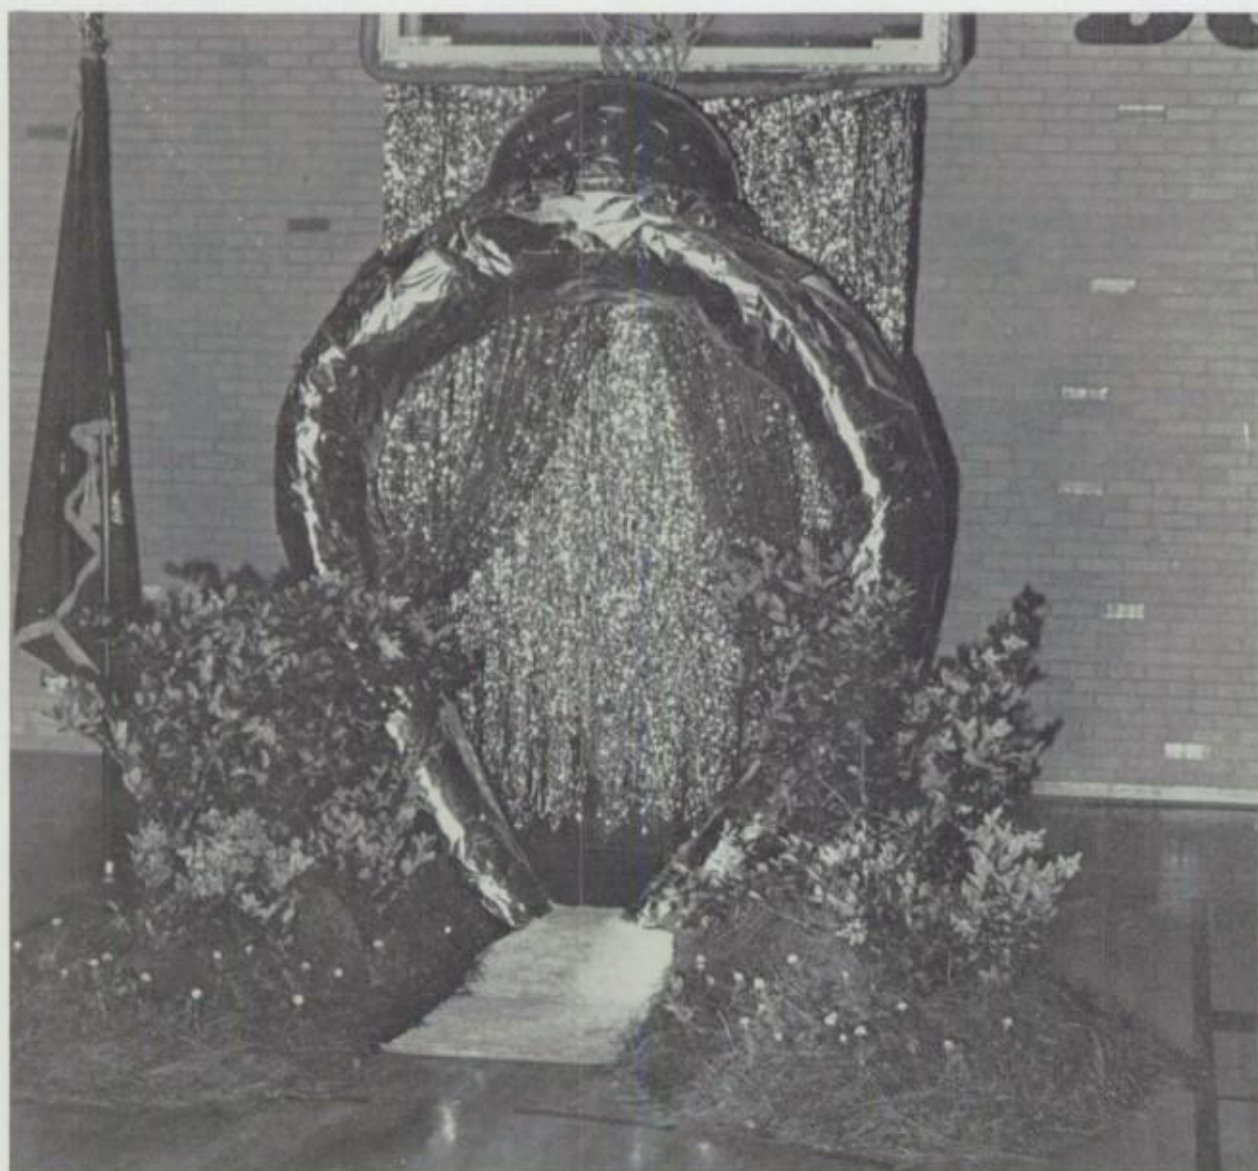

Ring Ding Committee held its first meetings in April. Invitations had to be ordered, and the Junior class officers decided what to speak about. The theme and decorations had to be decided upon; and "Destiny" seemed appropriate for the occasion.

Friday, May 18th finally came. Each junior took his chair—the 80th chair being left open to symbolize the class number—and the ceremony began. Junior Class President, Steve Campbell, opened the ceremony, and Junior Class Officers Karen Douglas, Debbie Reynolds, Pat Arnold, and Terri Milner spoke on the theme and the design of the ring. Senior Class Officers called each junior's name to walk through the ring and be presented his ring. Finally, in each junior's hands was a packet which meant actually being able to say "I'm a senior!" When given the word, the juniors tore open the packet and each saw for the first time their very own senior ring. The new seniors eagerly turned each other's rings eighty times and smiles rippled through the gym.

After the ceremony was over, refreshments were served and the new senior class gathered to talk of their "Destiny."

Haughton High School educates its students in many areas. 1979's class graduated with more than a diploma. At H. H. Fever

There's always something new and exciting at Haughton High. Whether it's new people, new ideas, or just recognition for a job well done, it can be found at H. H. S. Powder puff football and hacky-sack were two new sports introduced to the school this year. The KROK D. J.'s and some of the members of the Shreveport Steamer came to promote the March of Dimes Superwalk. Willis Reed came to visit his former coach, Mr. Leonard Stone. After a week of clinic and then try-outs, the 1979-80 cheerleaders were announced. And finally at the end of the year, the seniors were honored at the senior awards assembly. With something happening all the time, Haughton High is really an exciting school.

The Yearbook Staff

Annual panic

'Twas the day before deadline
And all was not right,
Not a creature was stirring,
Not even a mite.
We editors screamed
At the top of our lungs,
"Sponsor! Dear sponsor!
What can be done?"

We can't find the pictures,
The photographers are gone,
The dark room is flooded—
This just can't go on!"
Late into the night
We worked (until day),
Got the annual finished,
And sent it away.

We, the yearbook staff of H. H. S. sincerely hope that this yearbook will be a treasured memento of your high school days. It has taken long, hard hours of time and effort to complete this edition. We hope that you enjoy reading it as much as we have enjoyed putting it together.

1 The Beta Club is an active organization for juniors and seniors who have maintained a 3.00 grade point average or above. Again this year, the Beta Club had an active and successful year. Their speakers included the Reverend Scotty Teague, Scientist Randall Barron, and Channel Three Personality John Rasmussen. They also held a Christmas Party in honor of the football players' successful season.

In April, they participated in the 2nd Annual Bed Race for Muscular Dystrophy. All the hard work of constructing the bed, and raising the \$100.00 paid off when they were awarded first place for the "Best Decorated Bed."

Mu Alpha Theta Improves Math Skills

1st row: Rhonda Umberger, Mrs. Lodge, sponsor; Karen Douglas. 2nd row: Dianne Morrison, Becky Crow, Angela Eads, Suzie Bertrand, Emily Hummer. 3rd row: Aleta McCormick, Glenn Alderman, Billy Townsend, Allen Wood, Kevin Slaney, Tommy Gates.

Mu Alpha Theta had an eventful year by sponsoring several math tests and attending a math tournament.

The first math test they sponsored was the National Math Test. Winners within the school were Clark Gilbert and Kevin Slaney who tied for first place.

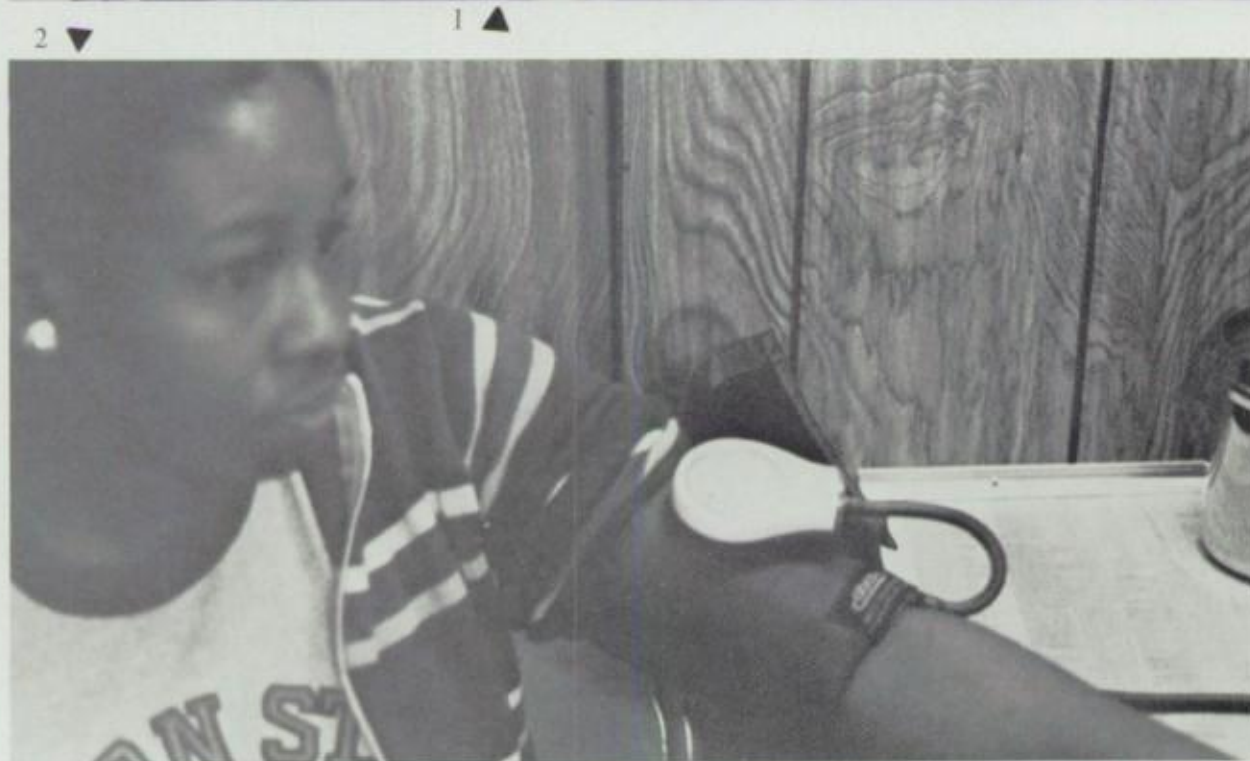

The Third Annual School Math Test was held in April. Math Test I was for students taking General and Business math courses. Math test II was for students who had taken Algebra, Geometry, or Trigonometry. Winner of Math Test I was Keith Abel; while Steve Austin won Math Test II.

The Mu Alpha Theta Club also entered the Southfield Math Tournament. Much of their success is owed to their sponsor, Mrs. Lodge.

Officers: Sitting—Karen Douglas, secretary; Angela Eads, President; Suzie Bertrand, Treasurer. Standing: Kevin Slaney, Vice-President; Mrs. Lodge, Sponsor.

Student Council Serves as

Active is the word to best describe our Student Council. They sponsored many things for our school and community, while helping to improve student-teacher relations.

They opened the year by sponsoring Homecoming Week activities. Following with the theme of "We've come a long way, baby, but you ain't seen nothing yet," they constructed the queen's float, and planned various activities for the week. They ended the week with a dance.

In February, they sponsored Valentine Carnation sales. Carnations were sold to students, then given to their sweethearts on Valentine's Day. You could choose any color of a carnation varying from peppermint for friendship, or red for "I love you."

Later in the year, they co-sponsored the beauty pageant along with the year-book staff. Student Council members helped in constructing the stage, selling and taking up tickets, passing out programs, and helping the girls to get ready.

The Student Council sponsored a blood drive and Sadie Hawkins week in April and had a Community Clean-up Day in May.

Under the guidance of Mrs. Monzingo and Mrs. Huddleston, our Student Council had a most successful year in all of their activities.

Miss Mathias served as F.T.A.'s sponsor, and Karen Douglas served as District Treasurer. 2—Mrs. Pace and her students display their classroom situation to an FTA audience. 3—FTA officers: Steve Campbell, treasurer; Patrick Gullatt, president; Emily Hummer, secretary; Becky Crow, historian; Melinda McCallon, vice-president; and Ann Knotts, reporter. 4—Mrs. Pace reads some of her student's work.

The Future Teachers of America's organization is one of the most popular organizations at Haughton High School. This year they had a membership of 195 students. In their meetings each month they had an average attendance of ninety percent.

In the 1978-79 school year Cynthia Lantz served as the North's District Vice-President and the State's Vice-President. Karen Douglas served as the District Treasurer.

FTA asked Mrs. Darlene Pace, a teacher at Platt Elementary, and seventeen of her students to visit Haughton and demonstrate one of their classroom activities. Mrs. Pace had her students design a booklet on their favorite color

and present it to the FTA.

This year at the State Convention three of Haughton's FTA members were elected to serve as state officers. Glenn Alderman was elected to serve as State President, Carla Jones was elected as State Secretary, and Karen Douglas was elected State Reporter-Historian. In group talent Linda O'Neal, Dena Davis, Carol McDaniel, and Becky Brandl won first place.

FTA presented end-of-the-year awards to Patrick Gullatt for Mr. FTA, Cynthia Lantz received the Miss FTA award, Emily Hummer received a scholarship for her 4.0 average, and "Outstanding Member" awards were presented to Becky Crow and Melinda McCallon.

And the Band Plays On . . .

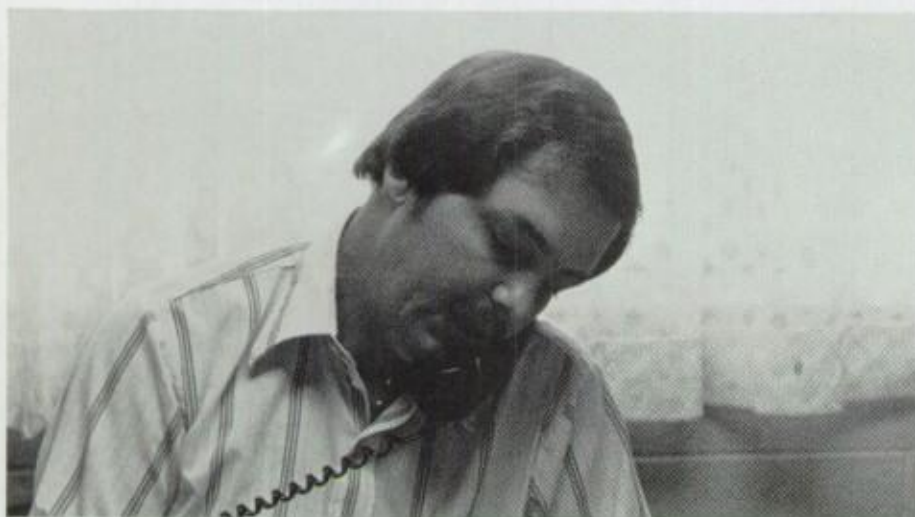

Throughout the years the band members have struggled to achieve recognition for their performances. This year they gained their recognition in the Louisiana Music Education Association Marching Festival. For inspection and their field competition they received a rating of superior. With these ratings and the band's good reputation, Mr. Ward entered them into the Music and Blossom Festival held each year in Canon City, Colorado.

On May 3rd, after weeks of Monday, Tuesday and Thursday afternoon rehearsals, the band boarded their Continental Trailways buses. Their destination . . . Colorado Springs, Colorado! On May 5th, they left a definite impression on each and every person that viewed their performances. The Big Red band has come a long, long way, and now finally they are beginning to receive the credit and recognition they have worked so hard for all these years.

Twenty-one hard-working dedicated girls make up the Haughton High School Highsteppers. Under the leadership of Cissy Faulkinberry, the dance team has won many awards.

7 Cathy Elliott was named "Miss Drill Team" while attending camp at the University of West Florida. They also won the Spirit Pom, a sweepstakes trophy for the most first place ribbons, and a trophy for the Best Home Routine to STAR WARS.

In State competition, at Northwestern, Haughton was named 1st runner up for the routine WIZARD OF OZ, defeating archrival Woodlawn Red Line, who placed second in the competition.

The girls had a fantastic year, working under Becky Crow, Captain; and Melissa McCallon, Co-captain.

Under New Sponsor

1—Former La. Representative Joe Waggoner speaks at the annual Employer/Employee Appreciation Banquet held at the Bossier Holiday Inn. 2—Lesha Watts and Mr. Daughtry drive the bus to New Orleans.

DECA's (Distributive Education Clubs of America) main goal is to develop jobs in marketing. That is what our club did this year successfully under the direction of a new sponsor, Mr. Daughtry.

They began the year winning. In September, they participated in a Bike-A-Thon to raise money for sponsors to attend the State Convention. They also took a field trip to Dallas, and there, they visited several major businesses. At the beginning of October, their truck won in the Homecoming Competition. They also planned and developed a booth at the Louisiana State Fair. Later in that month, their officer-member installation ceremony was held at the Country Club.

In December, they made Christmas Stockings and took them to Pilgrim Manor, a local old folks home. They were also responsible for selling T-Shirts, candy, and stuffed animals to promote the Distributive Education Program. In April, they attended the Southern Regional Conference in New Orleans, where Laura Edwards placed fifth in Food Marketing, and Lisa McCullough placed fifth in advertising. This made them eligible for the National Conference held in Houston.

Lesha Watts served as Region I Vice-President this year. All in all, it was a very active and successful year for DECA, under the direction of a new sponsor, Mr. Daughtry.

Novice Teaching Gives Students Chance to Teach

Bottom row: Melissa King, Gladys Basco, Sue Adkins, Veronica Swenson, Terry Nevels, Linda O'Neal, Miss Mathias, Sponsor. Top row: Bobby Stroger, Jeff Sutton, Jeff Hillman, Tony Coleman, Chris Mason, Anthony Burns.

Going to the elementary and junior high schools to help cooperating teachers was what twelve HHS students did this year as a part of the Novice Teaching Program. This program was designed to give high school students the opportunity to observe and implement various techniques of teaching.

Some of the things the novice teachers were involved in included assisting students with make-up work, grading papers, constructing bulletin boards, and co-managing non-instructional activities such as field days, field trips, and Teacher

Appreciation Week projects.

Not just anyone can be a novice teacher. Some of the requirements that had to be fulfilled are having a 2.5 grade point average, being dependable, punctual, and having a good attendance record. Besides just helping teachers and students, the novice teachers also had to record daily lesson plans and evaluate each day's assignments in a journal.

This year, an award was given at the end of the year to the "Best Novice Teacher." This award is a high honor, as it is decided upon by the cooperating

teachers from the elementary and junior high schools, as well as by the Novice Teacher sponsor, Miss Mathias. This year, the award went to Melissa King.

Novice Teaching is a good way to decide whether or not you want to become a teacher. It involves a lot of hard work, but has proven successful through the years. Credit for the success has to be given to the sponsor, Miss Mathias, who not only originated the plan, but is coordinator for the state.

Drama Club Presents Four Plays

Plays and talent shows are what the Drama Club did a lot of this year. Under the direction of Mrs. Anderson, the club had one of its most successful years.

The plays they presented included "Keep the Home Fires Burning," "Monkey's Paw," "Who's on First?" and "The Reformation of Jimmy Valentine." These plays varied all the way from comedy to drama. They presented two talent shows in the year.

FBLA Has Winning Year

The Future Business Leaders of America is an organization for business minded students. Under the direction of Mrs. Murphy and Mrs. Watson, FBLA had a very active and successful year.

This year the FBLA participated in the District meeting at Bossier High School. Fifteen members participated in the District meet; with two receiving Superiors, therefore making them eligible for State. They were: Kathy Fisher Business Math and Business Communications, and Debbie Reynolds, First Place in Public Speaking.

At the State Convention in New Orleans, Laurie Dailey placed eighth with the Most Outstanding Project; and Kathy Fisher placed second in Business Math.

Newspaper Keeps Students Informed

Where could you find out about the latest happenings of the school? In the school newspaper. *Pirate's Log*. In its third year under the sponsorship of Mrs. Adams, the newspaper proved to be more in-depth and exciting for students to read.

The newspaper had many new features this year, including an advice column called "Dear Blabby." This gave students a chance to have problems solved, without being identified. Another addition was Student Spotlight, which recognized students with unusual hobbies or outstanding achievements.

Spanish Club Actively Involved

1

All students not involved with the Spanish Club this year really missed out on an exciting year. It is a club for all students taking Spanish, or for those who have completed a year of it.

The main event of the year was the Christmas Party held at La Margarita in Shreveport. Fun and excitement filled the air, with Spanish food and a pinata being the highlights. The club gave Miss Mathias a gift in appreciation for a job well done as sponsor.

Helping other people was the goal of the Bucs for Christ. In November, they collected money for a local family, who was in debt, due to the illness of their baby. They bought them a turkey, a ham, canned vegetables, and desserts for Thanksgiving dinner, as well as giving them money to help retire their debt.

Later in the year, they began fund raising activities for a trip to Eureka Springs, Arkansas, to see the Passion Play. They sold candy, had bake sales, car

washes, a teacher talent show, and they raffled off various prizes. All this work was successful, as in June, they were off to Eureka Springs for two days.

The Bucs for Christ officers included Frankie Staton, President; Lisa Potter, Vice-President; Mary Lott, Secretary; Mike Johnson, Treasurer; and Kent France, Parliamentarian. A lot of credit for such a successful year goes to their sponsor, Mrs. Pierre.

Bottom row: Mrs. Lowery, sponsor; Liz Nelson, Jenny Tackett, Kathy Slaney, 2nd row: Florine Jones, Eunice Summage, Becky Murphy, LaDonna Prince, Top row: Scotty Butler, Demetrius James, Tontera Lars.

Jr. Leadership Activities, and Project Workshops were just an example of the activities the 4-H Club was involved in this year. During the summer, they attended a Jr. Leadership Conference in Houston and Louisiana's 4-H Short Course in Baton Rouge.

During the year, their activeness did not cease. They participated in the 4-H Open House, an Officer's Training Workshop, a Family Night Banquet, the State Sheep Show, and a Crafts Sale. 4-H Member Becky Murphy represented them in the Beauty Pageant in February and was

in the Top Ten.

Their officers included Liz Nelson, President; LaDonna Prince, Vice-President; Becky Murphy, Secretary; Jamie Little, Treasurer; and Billy Griffin, Reporter. Their successful year can be attributed to their sponsor, Mrs. Lowery.

Tour '79

On the night of April third, fourteen of Haughton's students boarded the Continental Trailways buses and didn't return until April fourteenth. During that time they toured the various revolutionary battle sites, Washington museums, and Williamsburg and Jamestown, Virginia. They were allowed to view and touch the Liberty Bell and they were shown the courthouse in Pennsylvania where the Declaration of Independence was signed.

The highlight of the trip was the tour of New York City. The students learned of the ways of life for both the very poor and the very wealthy. They saw the people living on "Skid Row" and they attended Broadway performances such as "The Chorus Line" and "Grease."

Seniors Honored at Assembly

1979 was the first year for the seniors to be honored at an assembly all their own. This was due partly to the fact that the seniors of this class had more honors than any class before it. Out of 210 graduates, 39 of these graduated as honor students, and with more scholastic and athletic scholarships than ever before.

Senior, after senior, after senior, was called to receive an award.

After the awards were presented, the seniors gathered in the center of the gym floor. The assembly ended as the seniors sang their "Alma Mater" with tears streaming down their faces.

Teachers of the Year

Every year FTA presents a Teacher of the year award to a teacher of the student's choice. Each year one teacher is honored, but this year the FTA awarded it to TWO teachers, Mrs. Barbara Anderson and Mrs. Tommie Pepper.

Mrs. Anderson is a Speech and English teacher at Haughton and she is very involved with the student body. Her main involvement, other than teaching itself, is being the sponsor of the Drama Club. She directs several student plays a year and has recently found time to remarry.

Mrs. Pepper is one of the most respected teachers to ever teach at Haughton. She is a strict disciplinarian and she fulfills her job to perfection. Her main course is chemistry, although she teaches several Physical Science classes. Mrs. Pepper is not unfamiliar to Haughton. When questioned about her teaching career at Haughton, she simply replies, "I've got spirit, ain't I great! I've been here since '48!"

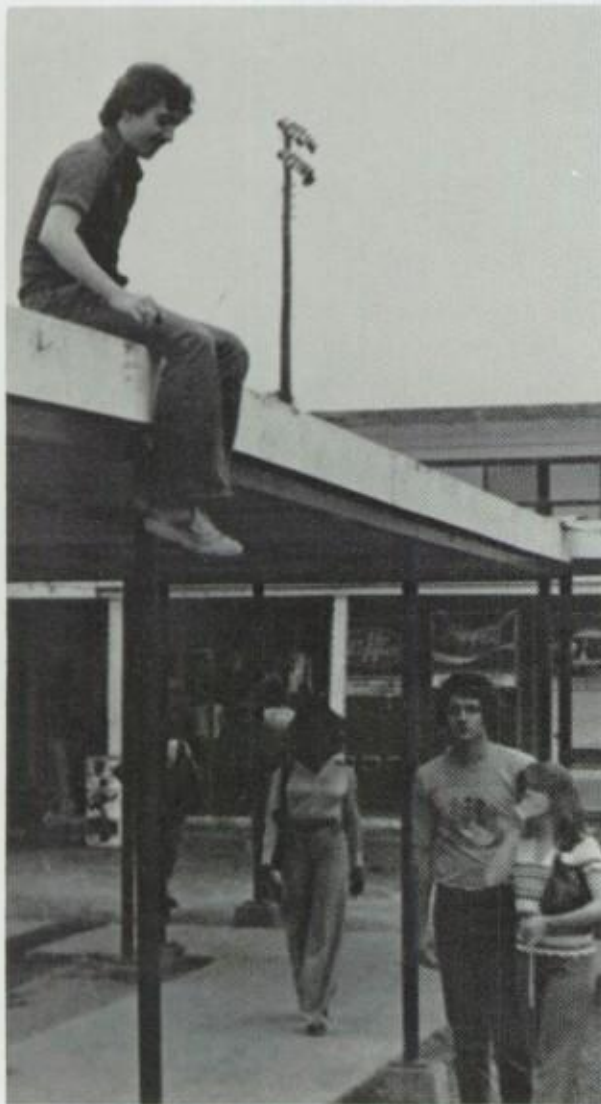

1-FTA President, Patrick Gullatt, presents Mrs. Anderson with the Teacher of the Year award.
2-Mrs. Pepper receives her Teacher of the Year award from Miss Mathias and Patrick Gullatt.

That's Entertainment!

Whether it's simply talking to friends, listening to rock groups, or watching the latest sports craze, the students at Haughton are never at a loss when it comes to finding activities. They have even been known to have an occasional "food fight" during lunch break, however, anyone caught throwing food is often severely punished.

Language Arts

Whether they are reading a novel, writing an essay, or learning about gerunds and participles, English students are always busy. Most English classes consists of a semester of literature and a semester of grammar. In English I and II, students study the English language very closely and read such novels as MR. AND MRS. BO JO JONES and DEATH ON THE NILE. Reviewing for the ACT, writing essays, and reading a collection of American novels such as THE SCARLET LETTER are the high points of English III. Up until this year, English IV has been an elective but, now it is required to graduate. English IV students study MACBETH and mythology and learn to write research papers and critical analysis.

1-In English III, Jeff Hillman, Wanda Moore, Mike Milliot, Gary Marshall, Ricky Timbs, and Dwayne Poteet work on a writing assignment. 2-In English I, George McLemore, William Touchstone, Marty Ruybal, Leonard Grappe, Diana Lilley, William McLemore wait for the bell to ring. 3-Lisa McMahon, Randy Crawford, Orlando Burns, Alice O'Neal, Mark Hall, and Pete Jefferson write their English III Book reports. 4-Warren Thomas, Larry Lott, and Christy Sanford listen for instructions from their English II teacher.

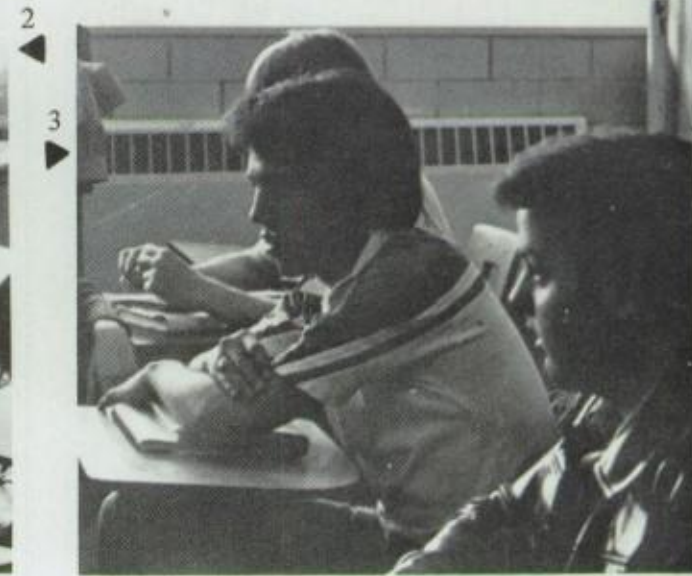

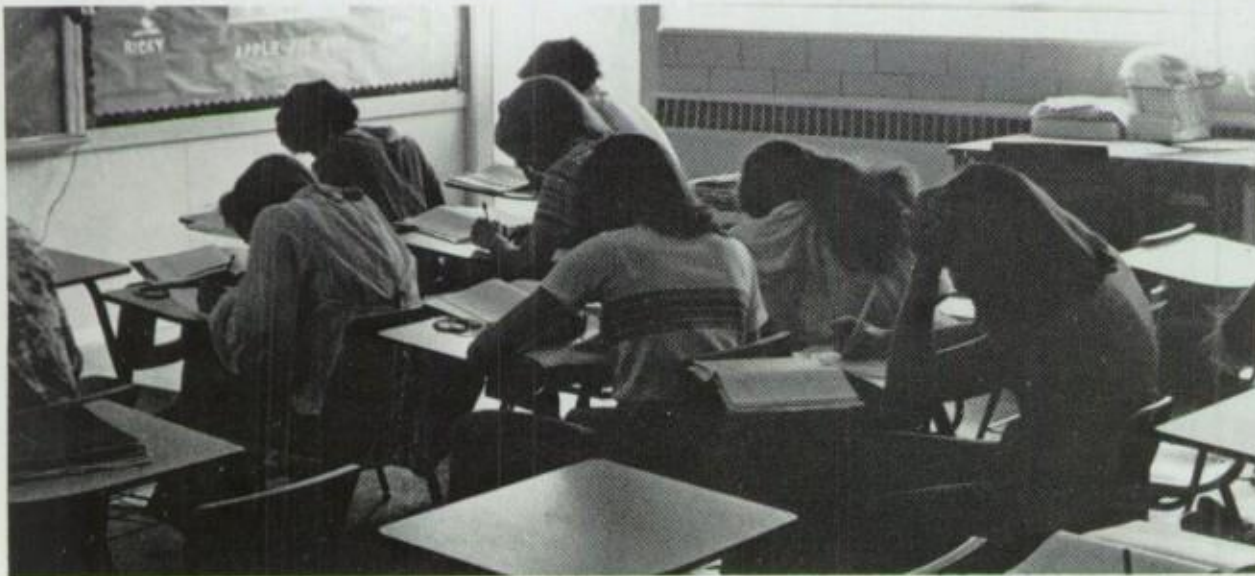

Mathematics

If a person walked by a classroom and heard such words as variable, product, or parabola, it would almost certainly be a math class. The math courses that H. H. S. students have to choose from include: General Math I and II, Algebra I and II, Elementary Algebra I and II, geometry, business math, and advanced math.

To understand the concepts of science, students must be able to take known facts, develop from these their own ideas of what will probably happen, and experiment to see the results. It requires an open mind and a sound sense of reasoning.

Beginning freshmen at H.H.S. usually schedule physical science, general science, or Biology I. For those students who plan to continue their education after high school, the curriculum offers chemistry, physics, and Biology II.

Social Studies

Social studies classes at H. H. S., contrary to what some students believe, are not just memorizing dates.

Civics teaches about the United States government and how it operates. American history involves the growth of the United States from its beginning until now. Free enterprise, teaches students the advantages of the free enterprise system. World history consists not only of map studies but also of discussions of world-wide events.

Business

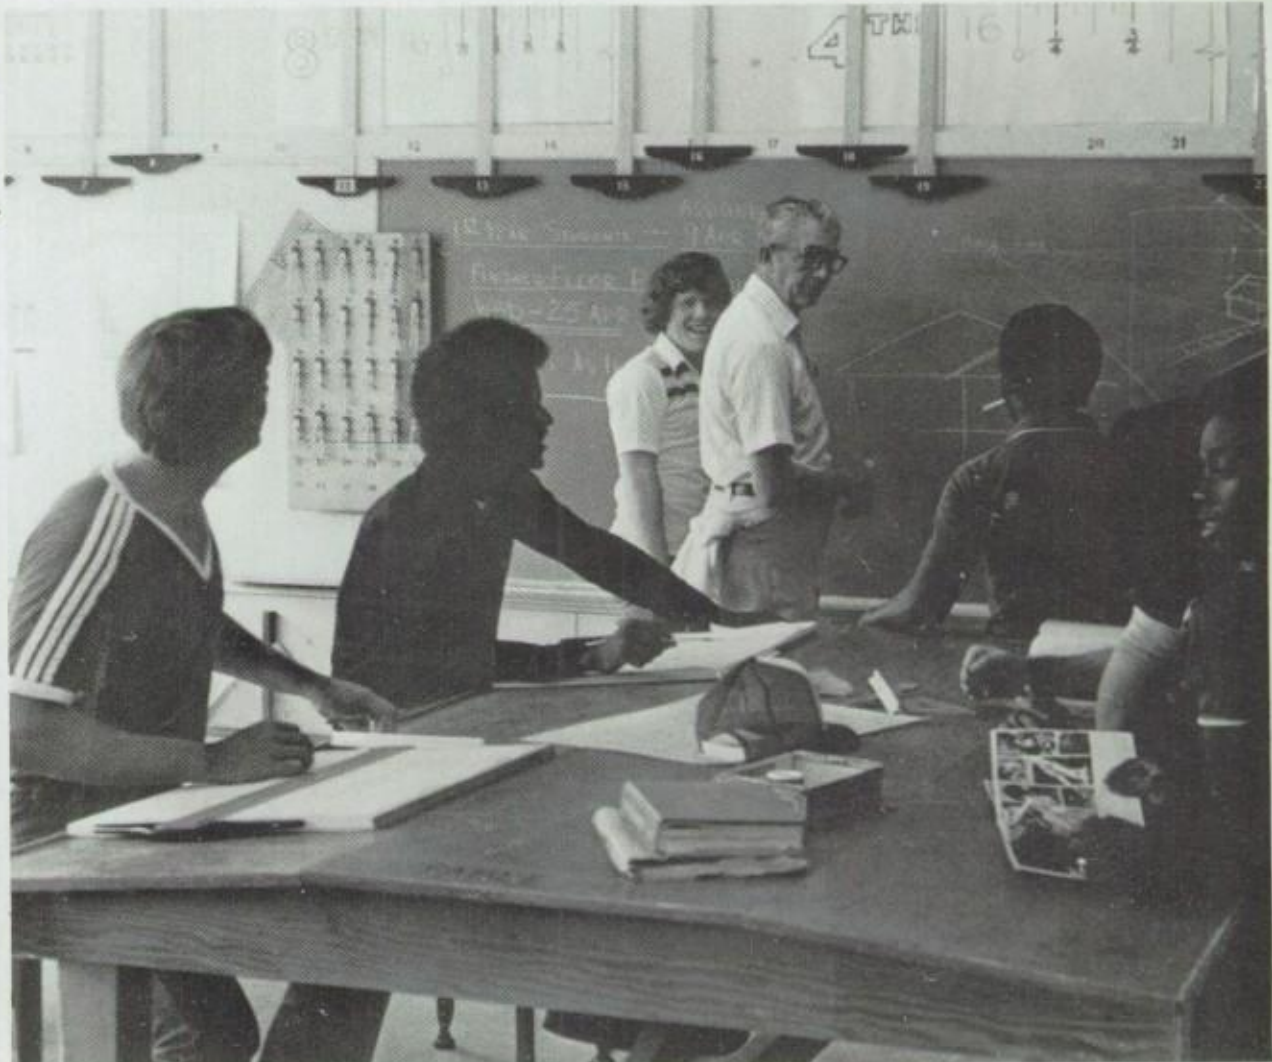

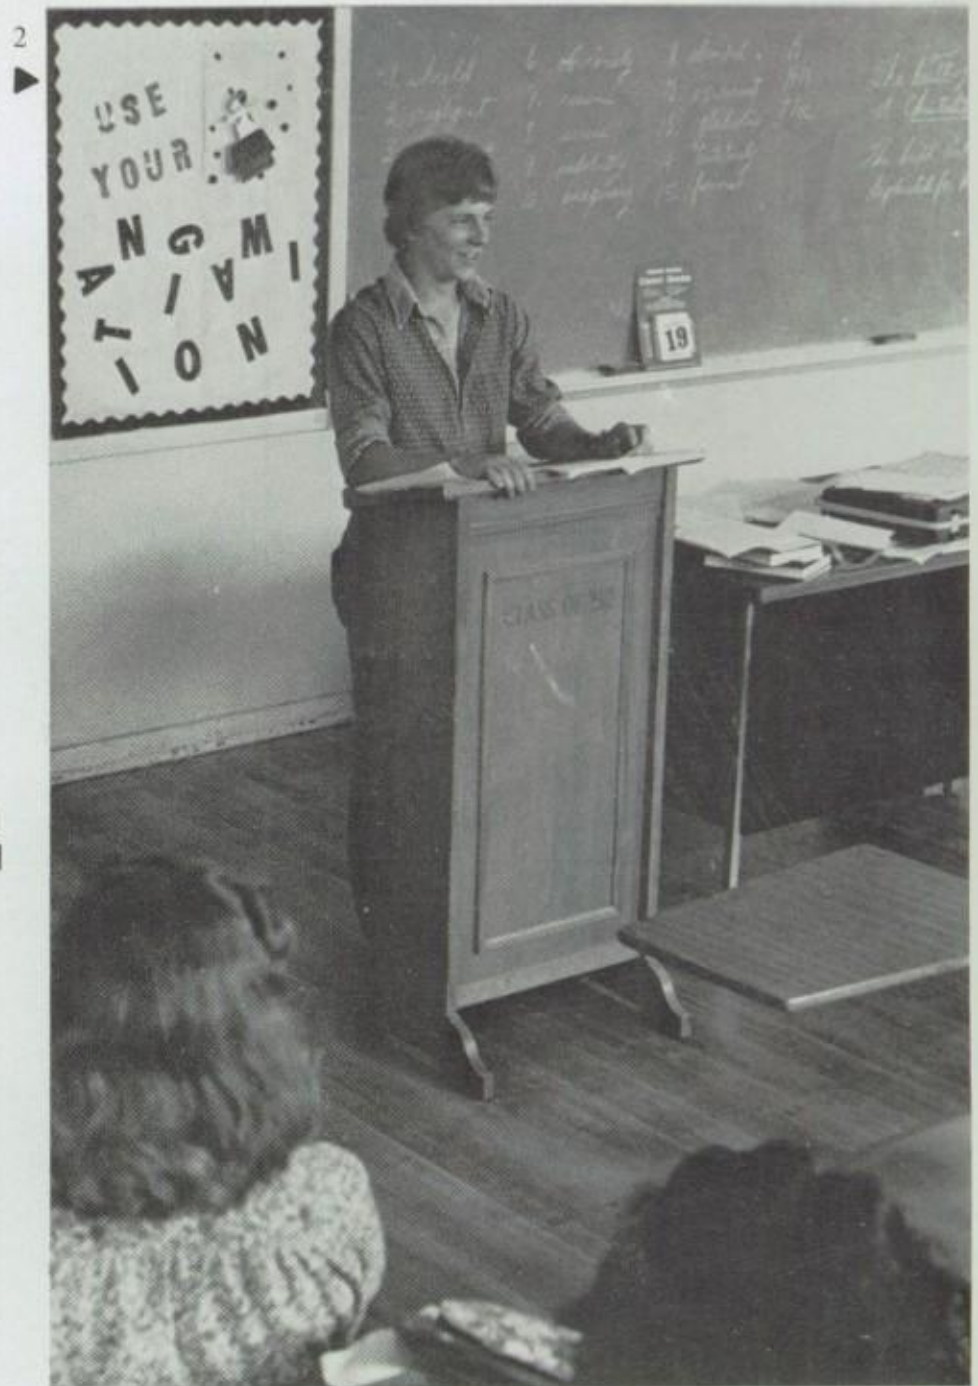

Business courses at Houghton High School are geared towards students whose interests lie in the business world. Whether they plan to use this knowledge to find a job after high school or to continue by majoring in business in college depends on the student. Business courses offered at H. H. S. include: typing I and II, shorthand, bookkeeping, business law, clerical practice, general business, and inter-office practice.

Electives: An Escape from the Ordinary

Fine art electives give students a chance to express themselves. Art gives them a chance to express their feelings using paints, pencils, pastels, clay, or even macrame. In speech, they use their voice and their choice of words to relay their ideas. Expression in another language is the purpose of Spanish. Mechanical drawing provides the opportunity for students to convey their ideas in the form of blueprints.

1—Karen Vaughan, Rhonda Arnold, Sharon Semster, and Don Black work on art projects with Mrs. Tynes help. 2—Clark Gilbert gives his speech while the members of his class listen. 3—Brenda Small and John Heap are involved in their art work. 4—Alan Meyers, Mark Halsell, Clay Young, and Booker T. H. H. S. Students Keep Fit

With today's trends moving towards health and well being, the most popular way for H.H.S. students to keep fit is in their physical education classes.

Physical education activities include basketball, softball, volleyball, exercise routines, and yes, even hacky-sack.

Home Economics

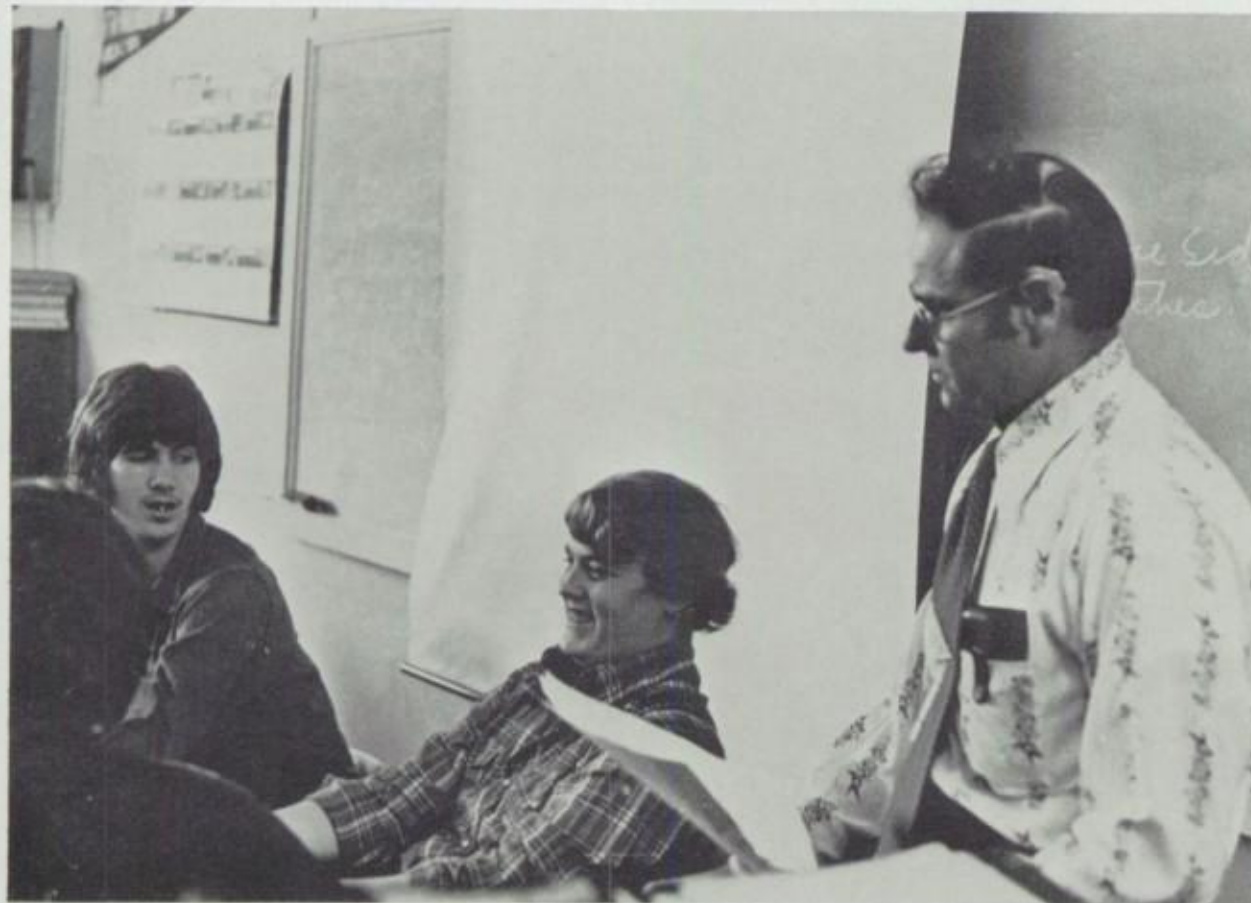

The purpose of home economics is not to prepare girls to become housewives. Home economics offers many courses concerning consumer education, creative arts, and child care. Students learn the responsibility involved in

maintaining a home. Home economics courses offered at H. H. S. include: home economics I and II, home and family, child development, housing and equipment, consumer education, and advanced clothing.

1-Charlotte Sheffield and Mrs. Magee give a lecture to her students Angela Roberison, Delores Ivy, Treva Beavers, and Becky Swann. 2-Donna Lott, Carolyn Augustus, and Leanne Miller use the sewing machines.

3

Agriculture

In agriculture, students studied the basics of plant structure and classification. This year, agriculture students propagated four to five thousand tomato plants in their greenhouse. They then sold them to students and members of the faculty and the community. Approximately one thousand tomato plants were planted in the field. The agriculture classes planted approximately five thousand pine seedlings which they received from Continental Can Company.

Trade School Offers an Alternative to College

"What are you going to do after you graduate?" This is a question that many high school students are asked. Some will answer "College"; others, "I don't know." Students who choose to attend trade school will have something to build on. They learn a trade while still in high school that will ensure them a job after graduation. The courses that trade school offers are: auto mechanics, machine shop, small engines, upholstery, welding, and agriculture lab.

Administration

Supervising and advising the faculty as well as the student body, Principal Harold Harlan continued to lead the administrative staff during the school year. Assisting Mr. Harlan were Billy Montgomery and George Moore, Assistant Principals. While Coach Montgomery enforced discipline, Mr. Moore took care of textbook inventory, and aiding the teachers in obtaining materials they needed.

Although the HHS administrators were responsible for many other various functions, they still found time to attend sports events and to support other extra-curricular activities.

Secretaries

Mary Jo Garland is the registrar for HHS and secretary to Mr. Harlan. She is in charge of keeping student records up to date, filing, and answering the telephone. Mrs. Garland graduated from HHS as valedictorian. She is also the co-author of the lyrics to the HHS Alma Mater. She enjoys tropical fish and collecting porcelain birds.

Jackie Hanley is the secretary and she handles all the money books, pay the bills, and does the paperwork. She graduated from HHS in 1957 with many honors— Senior hall of Fame, Homecoming Queen, Cheerleader, and Student Council. She has been a secretary at HHS for the past ten years.

Counselors

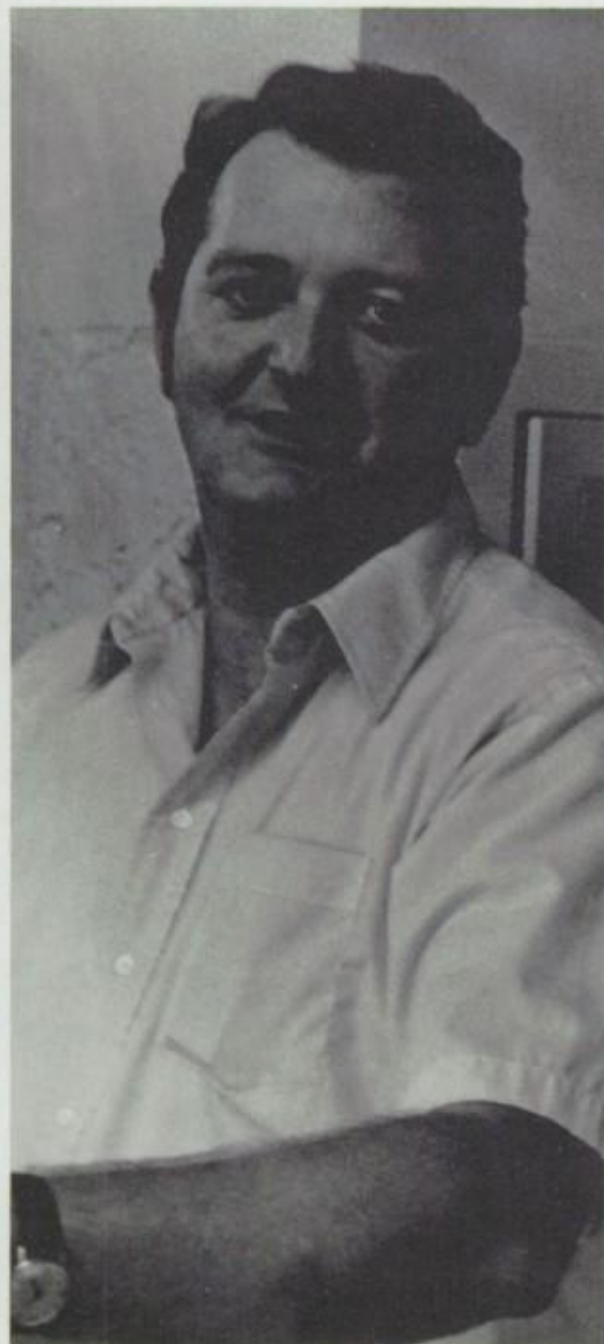

A counselor's job is to help students with any problems ranging from teachers and peers to a troubled home life. Our counselors, Mr. Don Black, and Mrs. Merrilee Warren were always there with a listening ear ready to help solve any problem. They provided students with college information and arranged for guest speakers from colleges. They were also involved in testing and making schedule changes. The guidance they provided helped students to prepare for their future, and they made high school life a little less complicated.

Mr. Don Black has been at HHS for the past eight years. He enjoys hunting, fishing and all sports. He likes HHS because of its great student body and faculty and his greatest ambition is to enjoy life to its fullest!

Mrs. Merrilee Warren has been at HHS for the past ten years. She was very active in her high school, Benton, where she represented them at Girl's State. She was also Princess at a Rice Festival in South Louisiana, and was Salutatorian of her class. Her Husband, Gary, is also a counselor.

Lunchroom Staff

Beginning at 6:30 every morning, our dedicated lunch staff begins preparing our meals. They cook everything from scratch, clean tables, and dishes, and are involved in Spirit Breakfasts. On Valentine's Day they paid for the basketball boys lunches in honor of their making it to the Top 20, and they have special cakes baked for the basketball and football teams to 'pep' them up for games.

A great loss was suffered at the end of November, with the untimely death of Edna Devereaux. She was a credit to the HHS lunchroom staff, and will be missed.

In every group of people, there is a group of leaders. This year the senior class was fortunate enough to have a capable group of hard-working officers. They helped to plan and carry out various fund raising projects throughout the year. The money raised will go towards the Junior-Senior Prom on May 4th, the Senior Trip to Six Flags on May 11th, and the Senior Gift to the school.

Most people think that every student's senior year of high school is an easy one. This year's senior class found out otherwise. Between their studies, extra-curricular activities, and various class fund raising projects, the seniors found very little time to spare. However, much to Mrs. Hammel's delight, a group of senior English students managed to squeeze in a weekend to repaint her room and the halls and the lockers and the stairway and the girl's bathroom . . .

Last Senior Photograph

January , 1979 was the last day for the midterm graduates. Until graduation night, the senior class will not be complete, nor will it ever be again after May 24. Graduation night is a time for joy and sadness. For some, the night of graduation will be a final farewell.

Seniors not pictured in the senior section include: David Babers, Roy Baker, James Barnett, Doug Bower, Dawn Brewer, William Brothers, Nathan Bute, Kyle Chapman, Johnny Chatman, Andrew Cleveland, Andrew Davis, Micheal Daws, Mikel Dixon, Roger Fizer, Donny Garrison, Augustine Green, Duane Green, Paul Greggs, Michael Hancock, Gorden Handy, Jesse Herman, John Herron, Jay Hollis, Tony Jamerson, David Johnson, William Johnson, Joe Jones, John Lafitte, Wayne Lane, Paula Lee, Vanessa Martin, Jeannie McAnn, John Merland, Ira Moore, Clay Patrick, Mitch Patterson, Jessie Perry, Greg Ruybal, Elizabeth Schneider, Sandra Sheppard, Melvin Singleton, Curtis Smith, Claude Thomas, Ray Tyler, Ardie Ware, and Lisa Wintamute.

Haughton High School has many talented students. Among them, several musically talented guys formed a band called "The Black Water Band". Members include: Gary Harbour, lead guitar; Robby Thomas, rhythm; Mark McLaughlin, bass and lead vocalist; Clay Carpenter, drums; and Nick Williams, back-up vocalist. Since the group was formed fourteen months ago, they have played talent shows and some parties but they have high hopes for the future.

1—Donna Sheppard is surprised by the photographer while at her locker. 2—Steve Campbell and Mike Taylor tune their guitars for beauty pageant talent try-outs. 3—Gary Harbour and Mark McLaughlin practice with other members of their band.

Act I, the first day . . . Last year's sophomores are renamed the Junior class of 1978-79 and now they have authority over the freshmen and sophomores.

Act II, ordering the ring . . . Mr. Sanford comes and passes out the information packets to the members of the Junior class . . . "Oh, look at the red stone! That is definitely the one I will get, the red one . . . but wait, look at the blue one!" Someone says, "Should I get silver or gold and what do you think about the perma-color?" Sophomores examine the folder to see what kind of selection there is while seniors look at the new choices.

Act III, Ringding . . . The night is here. The Juniors and their parents gather in the gym. They listen to the welcome, the Principal's message, and the guest speaker. Finally each Junior steps through the ring and is presented with that blue packet that contains their ring. They have taken that final step. They are now the Senior class of 1979-80.

The Law Steps In

David "Barney" Miller can be called the "Dudley Dooright" of Haughton. He is the protector of fair maidens as well as the many "Whipley Skidmores."

David Miller always goes out of his way to help others, and when trouble strikes he becomes the strict disciplinarian. His face has become familiar to the people of Haughton. He can be found chaperoning dances and he escorts the athletes in out-of-town areas.

David Miller has become a special part of Haughton and hopefully he will be a part of it for many, many more years to come.

1—David Miller is always ready to help out. 2—Even in his spare time, Mr. Miller enjoys lending a helping hand. 3—During football games the local authorities help to control the crowds. 4—Mr. and Mrs. Miller were the guests of the Juniors and Seniors at their prom.

Freshmen's First Year a Rough One

A "diamond in the rough" is a phrase that can be used to describe a Freshman. They come to high school for four years of molding to the young adults they will become. This year they entered Haughton High and found themselves underclassmen again. After a few days of hunting classes, they began to settle in and started to join in the activities of a busy high school. Soon they began to discover that Sophomores were friends, Juniors were not so bad, and even Seniors were human. They have now completed the most difficult year and can now look forward to the years that lie ahead.

As years have gone by, many wheelchair students have been reluctant to attend a public high school because of the obstacles that faced them. Paige Brumley, a freshman, has paved the way and proved that it can be done for many students confined to wheelchairs.

Paige has been admired by her fellow students for her courage and fortitude. She attends a full schedule of classes and sings in the choir. Paige states that she likes Haughton and feels she gets equal treatment. She has been in a wheelchair all of her life and she feels that her main accomplishments have been learning to write and getting in and out of a car.

Knowing Paige has put a ray of sunshine in everyone's heart who knows her.

The Bucs Bust Loose

The Bucs first season game and successful victory was played against Bossier. In this 25-0 victory, touchdowns were made by: Gary Sheppard, twice; and once by both Brent McCormick and Ronald Brown. This victory proved to be the start of a great season for the Bucs.

1-The Bucs bust loose and prepare for the Bossier game. 2-Bobby Stroger scores a touchdown against the Falcons. 3-Brent McCormick carries the football while Randy McMahon demolishes a Bearkat. 4-The excitement and tension of each game could be seen along the sidelines. 5-A Southwood Cowboy scrambles to try to catch Ronald Brown.

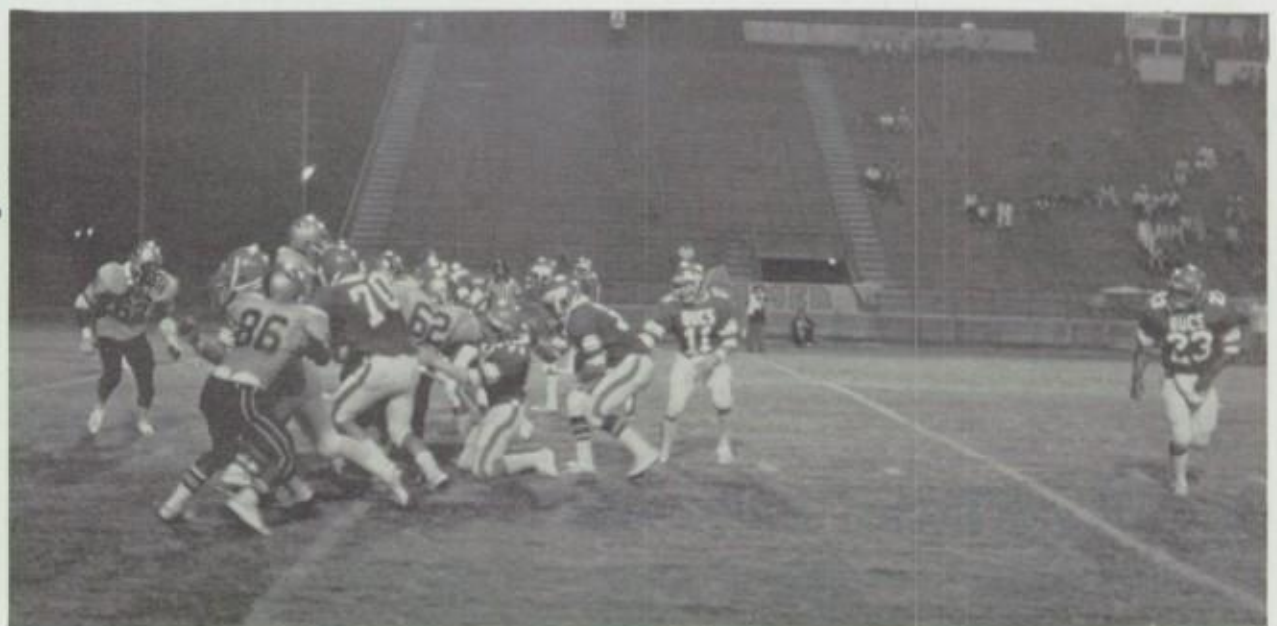

Into A Great Season

This year's Homecoming game did not just depend upon the winning of a football game, it turned out to be a matter of great pride for those at our school as well as the Haughton Community.

After all the complaints and criticisms made by the Southwood fans in regard to our school and its facilities, the Buccaneer football team managed to put the Cowboys in their place in a 34-7 route, the Homecoming game.

1-Ronald Brown blocks a Cowboy to let Brent McCormick through Southwood's defense. 3-Jeff Hillman, Bobby Stroger, and James Clevinger recuperate from a rough play. 4-Bobby Stroger unable to be stopped by Southwood's defense. 5-Brent McCormick hands off the ball to Bobby Stroger who attempts to plow through the Huntington defensive line.

Fantastic Season

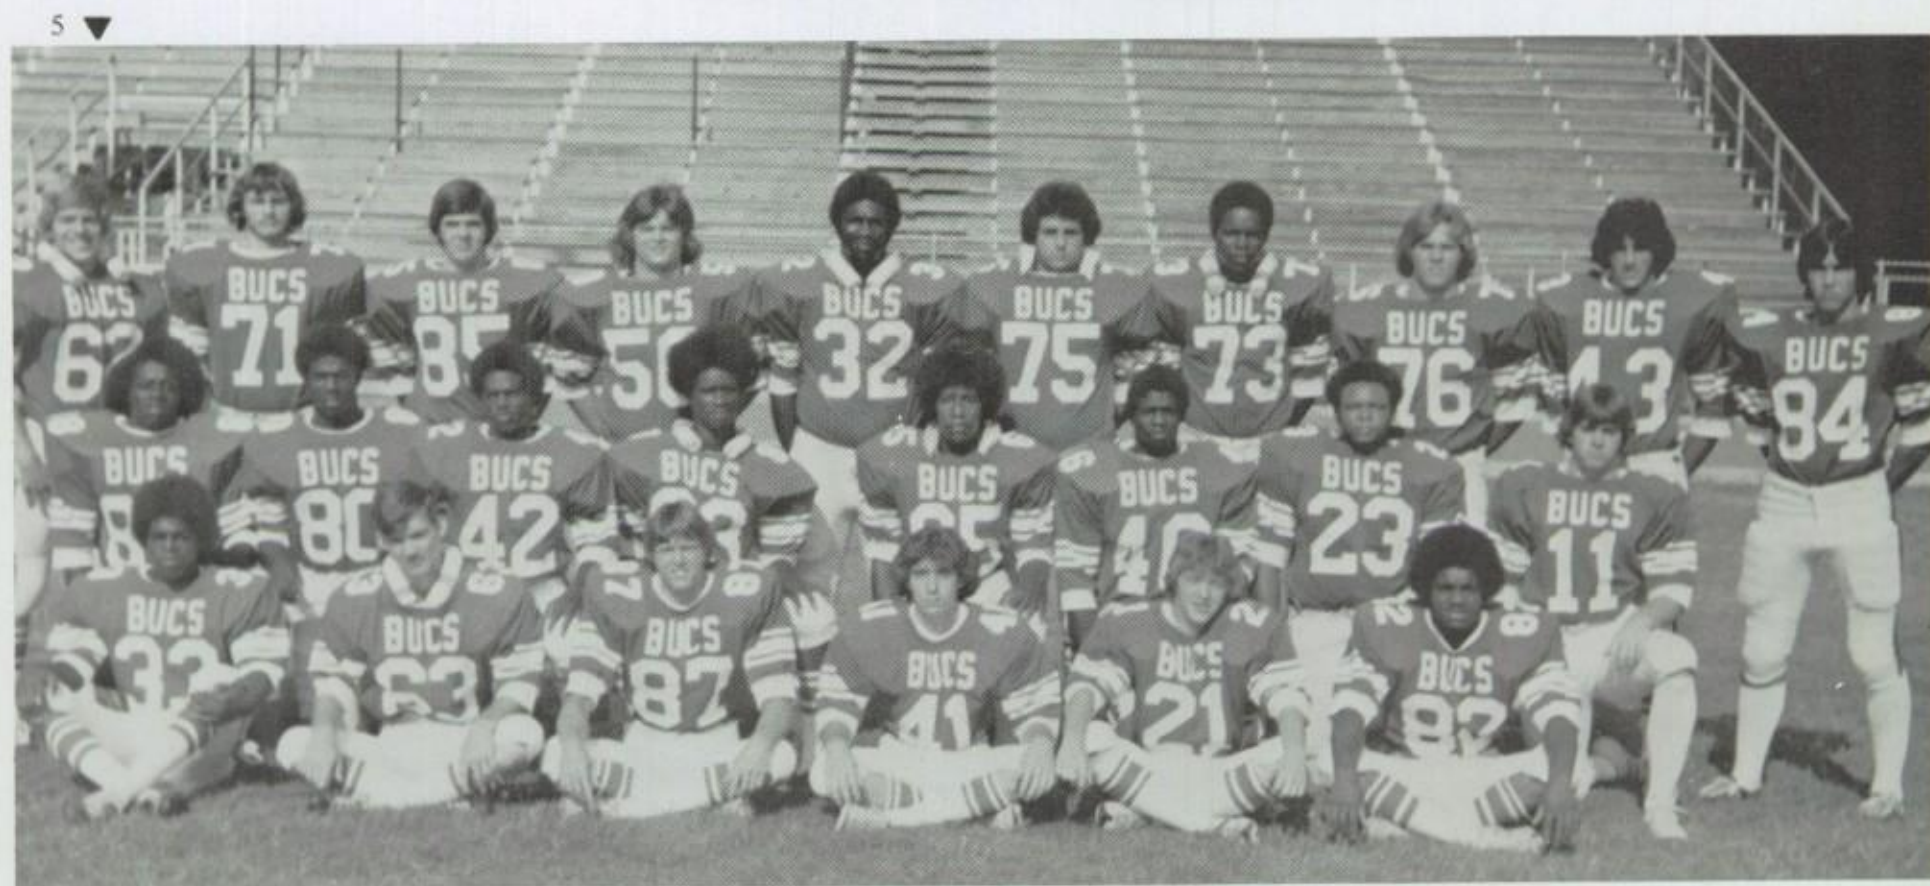

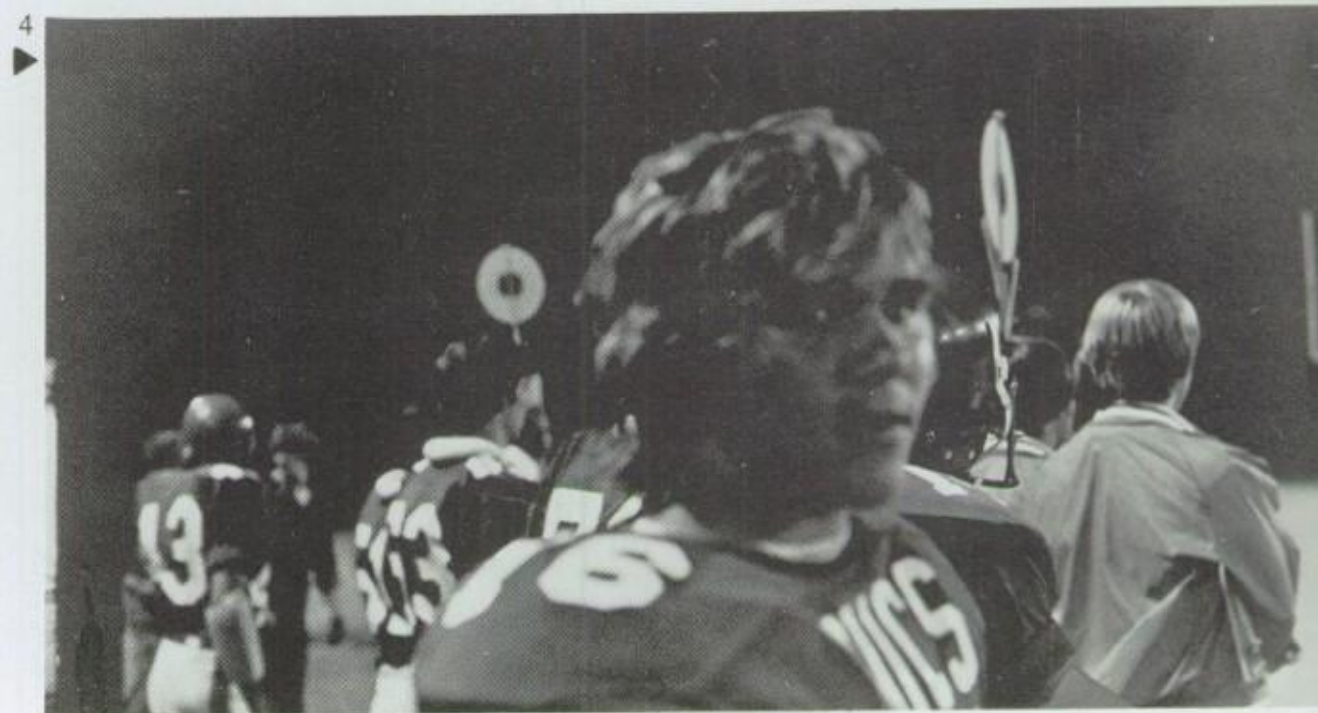

1—Captains Randy McMahon and Larry Reliford anticipate the outcome of the coin toss. 2—Bobby Stroger kicks off for the Buccaneers. 3—Until the start of football practice, the players locker room had a quiet and deserted look. But it was not long before the equipment was taken out of storage and made use of. 4—A few of the Haughton players, under the strict guidance of Coach Will Marston, are shown practicing for one of their games. 5—Managers: first row—Randy Rockett, Bob Dalton, Tim Williams, David Frazier. Second row—Gil Harlan, David Tyner, Thomas Hill.

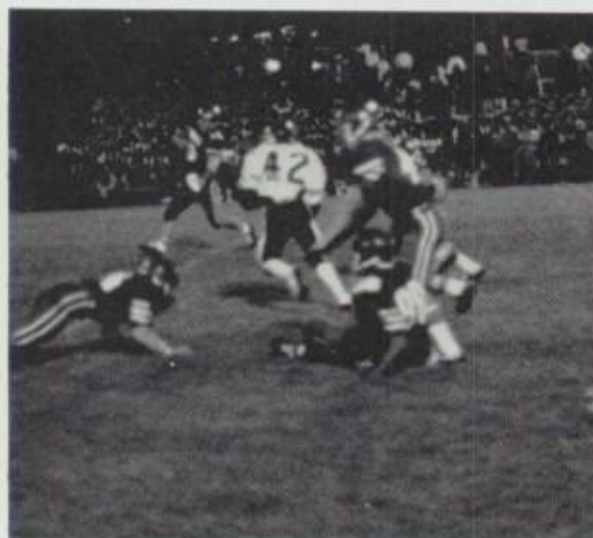

Six Buccaneers

1-Buccaneer Brent McCormick slips past Huntington's Randy Beck. Seconds later Beck injured his neck which required him to be hospitalized. 2-Ronald Brown struggles through Lutch's defense. 3-Bobby Stroger bolts for the end zone. 4-Huh, what'd you say? 5-The 1978-79 Senior football players include: First row-Jeff Hillman, Clay Cowart, James Clevinger, Tony Coleman, Bobby Stroger, Randy McMahon, Larry Reliford, Chris Mason, Buck McGee, Dean Miers. Second row-Anthony Burns, Tommy Rushing, Everett Williams, Wayne Lane, David Babers, Roger Smith, Ronald Brown, Brent McCormick. BUCS MAKE IT FIVE

STANDING: Coach Billy Montgomery, Mike Jackson, Kipper Montgomery, Robert Jones, Robert Ashley, Harvey Brown, Doug Summage, Patrick Gullatt, Scott Allen, Robert Ward, Mark Halsell, Scott Giles, assistant coach Bill Tynes. KNEELING: Melvin Singleton, Mike Smith, Sylvester Cole, Kenneth Weaver, (manager), Victor Beshea, Cliff Jones, Kyle Russell, Larry Crow (not pictured).

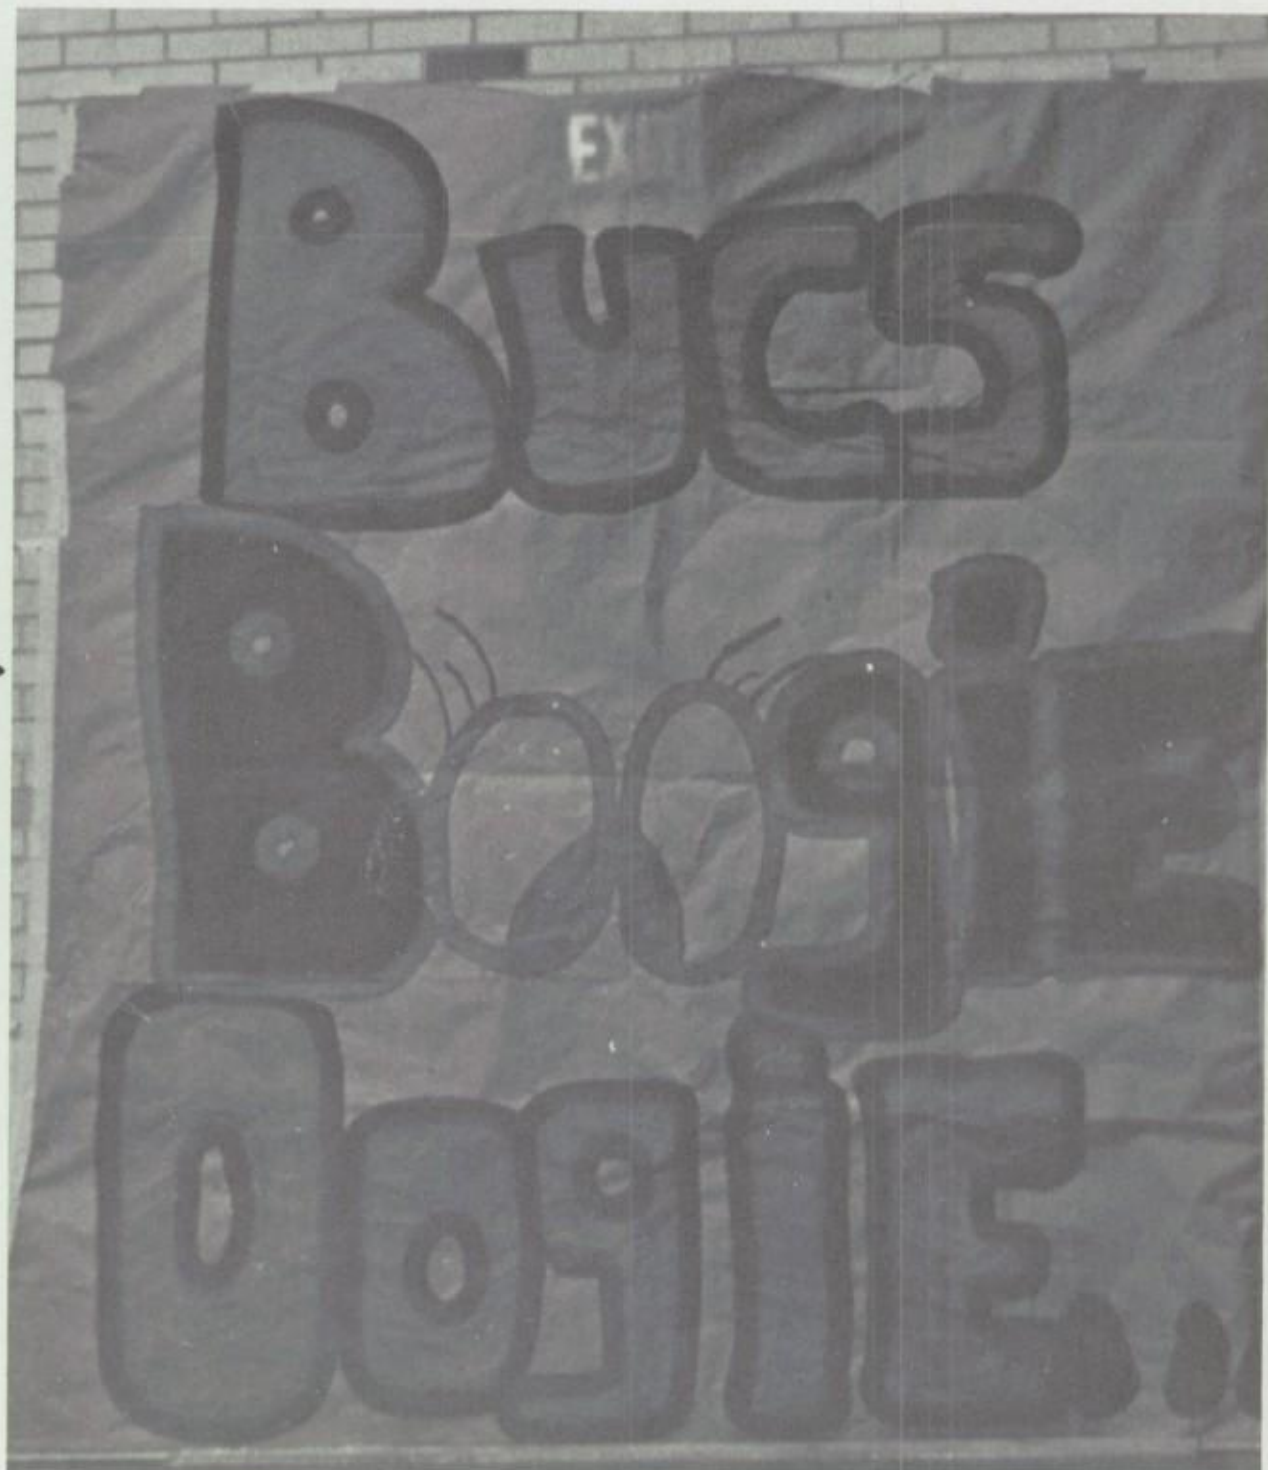

4 1979 was the fifth year for the Bucs to play in the Top Twenty tournament. In the season of 1966-67, their first trip to state, the Bucs ended up as State Runner-Up. The next year they won the trophy for first place. One year later in the 1968-69 season, the Bucs carried that same trophy home again. It wasn't until the 1976-77 season that the Bucs traveled again to the state tournament and ended as semi-finalists.

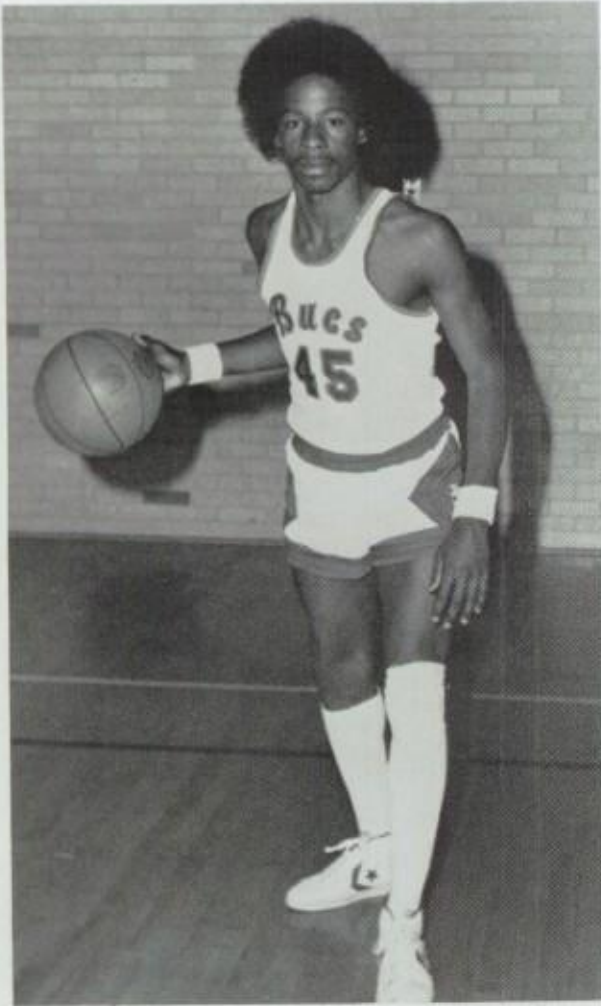

This year, in the 1978-79 season, the Bucs played Washington of Lake Charles in the regional game and won with a score of 67-50. This qualified them for the state semi-finals with Redemptorist. After a long, hard fight the Bucs lost with a score of 38 to Redemptorist's 52. Even with their loss flashing on the scoreboard the Bucs were not losers. They left the fans knowing that soon—very soon—the Haughton Buccaneers would once again be on the Court competing in the state Top Twenty tournament.

Bucs Freak Out!

1979 marks the tenth year of Billy Wayne Montgomery's coaching career at H.H.S. In that time he has taken the team to state playoffs every year. Five of those ten years the Bucs have gone to the state's Top Twenty tournaments, and of those five, twice the Bucs have come out in first place. Coach Montgomery has been district Coach of the Year every year he has been at Haughton and in both 1967-68 and 1968-69 he was chosen as the state's Coach of the Year.

1-Larry Crow reaches for the toss up. 2-Mark Halsell guards as Harvey Brown shoots. 3-Pat Gullatt slides by a Ruston guard. 4-Harvey Brown takes aim for a free throw. 5-Assistant coach Bill Tynes gives the team a pep talk.

Two Sign Up

On May 16, 1979, Harvey Brown signed with Nicholl's State University of Thibodaux, Louisiana. The 6'3" Brown played forward at Haughton for two years and was Nicholl's fourth basketball recruit for 1979. Harvey averaged twenty points per game and made fifty-four percent of his field goal attempts for the 1978-79 season. He was a three-year letterman and a B student at Haughton.

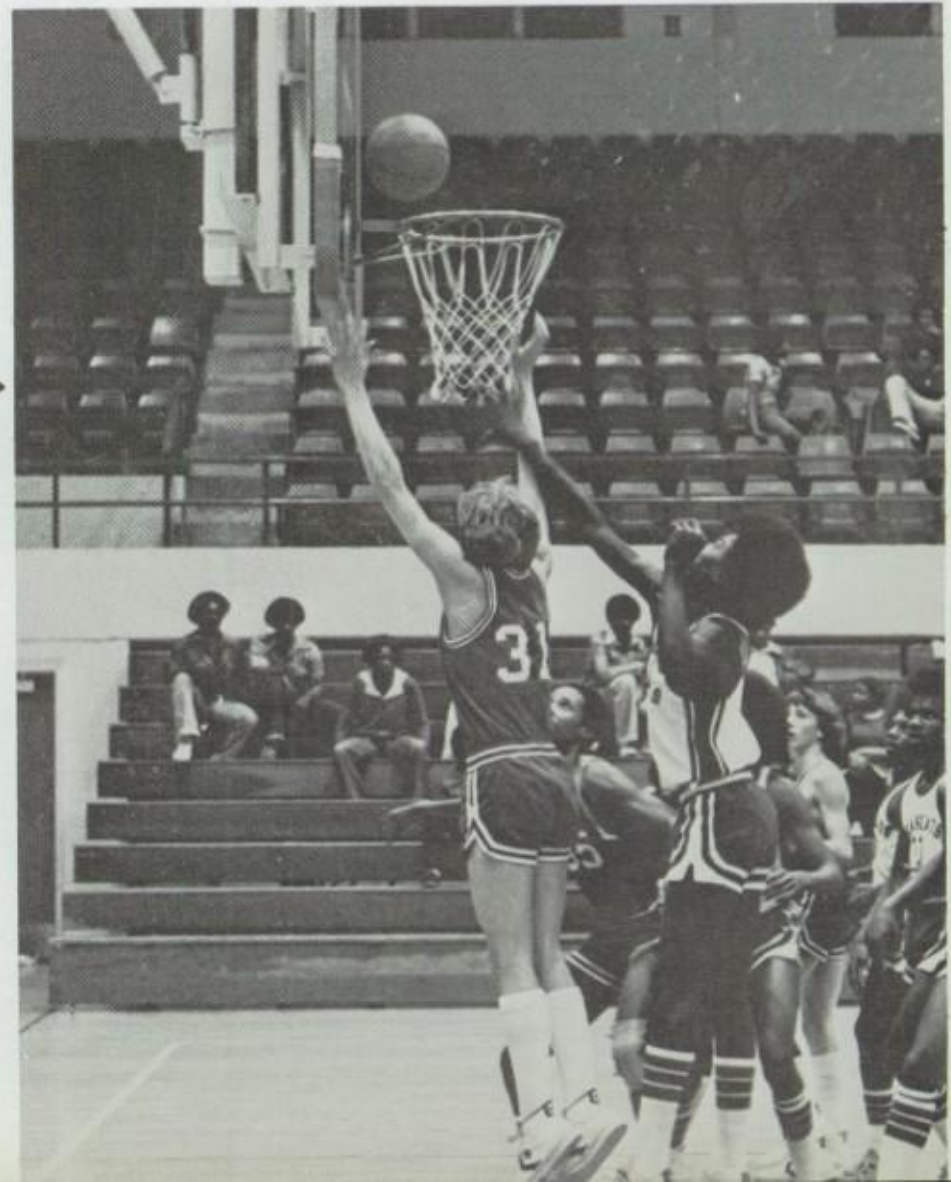

"The outstanding guard in the state of Louisiana" is the way Northeast Louisiana University's head coach, Benny Hollis, referred to Haughton's 160-pound guard, Patrick Gullatt. The new Northeast recruit is the third highest scorer in the Bossier parish history with 1,865 points and an average of 21.4 points and 5.4 rebounds per game. His shot record is 51% from the field and 82% from the foul line during the 1978-79 season. His high game scoring total was 36, achieved as a junior, and he scored 32 against Pine Tree as a senior.

Lady Bucs Strive to Win

Haughton High School girl's basketball team got off to a tremendous start this year by taking a win over the Airline Vikings. Coach Bryant and her Lady Bucs focused on various techniques of team practice this year.

Every afternoon, September through January, the girls spent many hours practicing lay-ups, jump-shots, and different plays to make this year's team more aggressive against their opponents. Many of last year's starters returned this season to give their team a boost. One of these was Hazel Tilbury who won a spot on the 2nd District team, and Marilyn Devereaux who received an honorable mention.

Regardless of the different background of each team member, their most common goal was to exhibit good sportsmanship, while at the same time striving to win.

Senior Named All-District

The Buccaneer Baseball team got off to a good start this year by defeating arch rival Airline by a score of 4-1. They had several outstanding players named to the All-District First and Second Teams. The Buccaneers finished third in district and had a 4-4 win-loss record in district.

Second year player Brent McCormick, a senior, was the only Buccaneer named to the All-District First Team. He was named as an outfielder and had a batting average of .353.

All-District Second Team

Pitcher Kevin Giles was named to the All-District Second Team. He was an outstanding player: his batting average was .390; he had a 19-10 record as a pitcher; and he had 1.65 earn run average. He was a four year letterman for the Buccaneers, and was named to the All-District First Team his sophomore and junior years.

Other baseball players named to the All-District Second Team included Tommy McHughes, 1st Baseman; Pat Gullatt, shortstop; and Dean Miears, outfield.

Other outstanding members of the HHS Baseball team included Ricky French, a four year letterman for the Bucs; Jeff Hillman, Hal Harlan, Tony Beckermeyer, Scott Diehl, Mike Nerren, and Bret Anderson.

1-First baseman Bret Anderson successfully puts a Bossier man out. 2-Patrick Gullatt, shortstop for the Bucs, practices before a game. 3-Jeff Hillman and Tommy McHughes take a rest after winning a game. 4-Brent McCormick, an outfielder, was the only Buc named All-District. 5-Kevin Giles, as pitcher, was an asset to the HHS team.

Track Team Retains Title

1 The 1978-79 track season went pretty well ... taking district again. Tommy Rushing and Johnny Adams went to regionals and state meets competing in the hurdles. In the mile relay, Robert Jones, Tommy Rushing, Warren Williams and Johnny Adams went to the regionals and state competitions. Tommy Rushing, Warren Williams and Robert Jones went to regionals in the 880 relay. In the 440 relay, Ronald Brown, Robert Jones, Clifford Jones and Warren Williams went to regionals. The Buccaneers are District Champs once again ...

For several years Haughton High School has tried to set up a wrestling team, but lack of interest and participation has caused it to fail.

This year all of that changed. For the first time the wrestling team began to

draw interest from the student body. Charles Davis was one reason for this success. This was his first year as head coach. Both he and the team deserve a lot of credit for all of their hard work and dedication.

1—Steve Campbell's arm is raised in victory.

1978-79 Varsity Cheerleaders

Through the year the Varsity Cheerleaders have been very busy. Last summer they went to camp in San Antonio for four days, where they received all "Superior" ribbons. They also won the spirit stick every night, which enabled them to bring it home to Haughton. The Varsity Cheerleaders were named Super Squad by the National Cheerleaders Association Staff and were nominated for the Awards of Excellence, in which they placed second.

Each Varsity Cheerleader had a very active year. She had to . . .

- sell ribbons every Friday
- paint signs during the week
- decorate boys locker room and buses
- make cakes and cookies for the team
- plan spirit days during the week

All of these responsibilities were only part of being a Varsity Cheerleader. The biggest responsibility was supporting H.H.S.

On August 7, 1978 the Freshman Cheerleaders went to Dallas, Texas, where they attended the National Cheerleaders Association workshop at S.M.U. There they received eleven "Superior" ribbons, one "Excellent", and one "Outstanding." While at camp they were awarded the spirit stick each night, and were allowed to bring it home. During the year they were very busy with car washes, and selling football and basketball spirit buttons.

We Love You

"Joyful times and friends sincere, red and white we love you dear. In our hearts will ever dwell days with you we loved so well. Hail to thee old Haughton High, may your spirit never die. Sons and Daughters ever true . . . Alma Mater—WE—LOVE—YOU!"

The end of Haughton's seventy-fifth year marks the beginning of a new era for the school and people of Haughton. Both the town and school will continue to grow and prosper and they will enter their seventy-sixth year of existence still as strong and as stable as ever.

David,

September 24, 1979.

I'm so glad you're a part of my life and I hope you always will be. You've given me lots of precious memories - hope I've done the same for you.

Remember all the times I got jealous just because a certain girl smiled at you? And remember how mad you got when I wouldn't kiss you at the dance for the first time!! And remember when my two goldfish died that you got me for my 16th birthday? Oh, I cried over those two fish, and they didn't even have names, yet!! And remember the first time you told me you loved me? I cried then, too!! And I bet you don't remember that October 6, 1978 was the first time you told me you needed me, huh? I betcha can't forget, though, how you wanted to be completely away from me the first time we broke up - and I followed you around like a magnet!! Oh well - that's life! But I hope that you'll always remember the good and happy things about us, and all the things that seem funny now, when they didn't seem so good way back when, and try to forget all the bad things.

Just think! A whole year ago, we were planning our future together! But now we're apart, and I'm learning more and more about myself and

(continued on back cover)

David,
Even though
a lot of people told
me about the
best subject to
write your year
questionnaire
I was not
bumped up
the hope this
is the best
personal like to
let you know
I'm gonna
do it
I'll be
there when
I do!

David,
It's been real
nice being your
friend. Mine had
some "good" times
and some "hell
raising" times.
I'll never forget
you. I hope all your
dreams come true!
Good luck!

Love,

about life! And you're happy doing your thing,
too! Who knows? maybe one day we'll even be
back together again! But only time can tell
us that, and we've got a lot of time ahead
of us.

I hope, that in whatever you do, you
will be happy, contented with your life,
and able to make other people smile just as
you've always done in the past. And
always remember that you are loved,
cared, and thought about - forever and always.

Friends for a Lifetime!!

True Love,

Liz
